Time Flies

I can’t believe it; another season is half over folks. Just another month or so of the hot weather; then it’s time for some of the best Cruising weather of the year. Fall is right around the corner.

As I get older, time just flies by and with the average age of this hobby over 60 now, I’m sure that is the same for most of you. Oh yea- unless you can’t remember what happened yesterday like me. Oh what a joy it is getting to 60 and running into some old geezer and realizing you went to high school with them!

When you pick up this magazine or read it online, the Custom & Classic Car Educational Foundation’s annual car show will have already happened. (July 29th) My friends and I are doing what we can to introduce our favorite pastime to a new generation of enthusiasts. If you didn’t make the show, and don’t know what we are trying to accomplish, please visit the website: www.savethehobby.org

Please contact me if you have any suggestions on what you want us to include in the magazine, or have something to contribute. We seem to have a hard time finding content for our regular columns which you all enjoy, so help us out and get in touch with me today. The columns we need content for are: Road Trip, Club News, Man Caves, and Readers Rides. And as always, if you have an event you want free publicity for; you have to send it in. Dave’s Dodge Ram Gets Some Finishing Touches

Thanks to my many friends and contributors to this magazine who have helped me restored my ‘87 Dodge Ram Truck. Here’s Pete Cole from Auto Trim Design doing a little striping and detail, and it was just the kind of touches that I wanted to make it “my” truck.

Columbus, Ohio Goodguys

I traveled to the Mid-Ohio Sports Car Complex in June for the “Vintage Bike Days” to putt around on my 1965 Honda 50, and as luck would have it, The Goodguys were at the Columbus Expo Center about an hour away. It is a sprawling, beautiful facility that can accommodate about 5,000 show cars. The Cardinal Center had an indoor display, and the nightlife around the nearby hotel lots were full of show cars. On the way home, The American Motorcycling Association Museum rounded off a great motorhead’s dream vacation.

A guy rolled in the Expo Center with a BB Chevy-powered UPS truck that was chopped about three feet, the aluminum body stripped and polished. Dare to be different, indeed.

At right is a replica of the world’s first motorcycle, “The Daimler” in the foyer of the AMA Museum.

July 7th & 8th
This Nash Metropolitan was spotted on a trip to Winber, PA this summer (for the Mini-Bike Reunion). It was sitting on what looked like what used to be a garage with its own gas pump. The elements had worked on the little Nash to the point where it had just a bit too much “patina.”
I love these things. It looks like it came out of a children’s book called “Buster the Car Goes to Town.”

An open show for all makes, models and years of cars, trucks and imports featuring Top 50 trophies, first 100 registered dash plaques, food by the Elks Lodge, professional judging, music, 50/50 raffle, door prizes, vendors and more. Registration $15 day of show. Pre-registration $12 prior to Sept. 16th. See www.ccccfeaston.org for form. For info call Bruce Perry at 410-822-6242 or Gary Faulkner at 410-829-9884
This is the wild man himself, Jungle Jim Lieberman’s stretched ’66 Nova, around 1968. He was one helluva showman and driver. The altered wheelbase cars were short and a handful to drive. His best friend Lew Arlington recalled the many times Jim would get the car fishtailing halfway down the track, and still win the race.

This is the first in a series of vintage photos of drag racing action in the sixties and what it was like at Cecil Co. Dragway “Back in the Day”
Yikes! It's a K Car!
It's a classic already?
Oh yeah that was 40 years ago!

Calling All Car Clubs.... This page is available to you to promote your individual club activities and gain some recognition with our readers. For years, we have opened up this FREE opportunity to you, and get very little feedback. Our next deadline is May 15th, and if we continue to see little to no interest from you, this page will be discontinued. If you want to grow your club, marketing and free publicity is what the experts will tell you to do. The ball is in your court. Dave Bielecki: 410-937-6866 davebielecki@aol.com

Louise Ross’
1968 Torino
Pace Car from the
52nd Indianapolis
500 Mile Race

Way back in February 1968, Louise started to listen to WXLW radio when a car of the month contest was announced. She really wanted the VW Camper that was the first give-away vehicle, but she didn’t let that loss deter her, she faithfully sent in her post card each month, really never expecting to win.

Imagine her surprise when June rolled around and she got that once in a life-time call- She had won May’s car of the month- a 1968 Torino Pace Car Replica!

Just like many of us back in the day, Louise used the Torino as her daily driver, never thinking about the historical significance of the car. She partied with the Hoosier Convertible Club, spending time at car shows and parades. Even though the car ran great, time caught up with the convertible and it was finally retired from every-day use, and then occasionally driven.

After 40 years of driving her prize, Louise had the car restored in 2009, and has since won many awards with it. It has received top honors in recent years at the Speedway’s car shows, in the Pace Car division. Recently the Torino was displayed in the Pace Car Reunion held at the Speedway’s 100th Running at the Indianapolis 500.

Not bad for an investment of a few 6 cent stamps!
