### *A Message from Dave*

## **Father's Day**

A father is the man who sacrificed all his life for our dreams and for what we want to achieve. All our achievement and success are the fruit of our father's sacrifice. He supported us in each moment of life, so now return the favor and spend some time with him.

As I look at all the show listings for Father's Day Weekend, it reminds me about my father's influence with Mopars and my interest in classic cars. I'm sure many of you feel the same way. Family vacations in the old Dodge Sierra Wagon were the best. We had several other wagons during my childhood, so I guess

that is where my current interest in Station Wagons came from. Two even had the fake wood panels, a '63 Ford Country Squire, and one of the largest ever built, the '69 Chrysler Town & Country. My sister and brother had to take their drivers test in that family truckster. I lucked out when my time came; my mom's '71 Satellite 2 door was my ride.

So I hope all of you that have a father in your life get to spend some time at a show on that weekend, and for some of the younger dad's please take your kid to a show. That's what this great hobby is all about. I hope to see you at one of the many events that weekend. If you are in Jarrettsville, stop by the Cooptown Show and say hello. I'm back to being the coordinator this year, so that's where I'll be. I helped start the show 15 years ago, which was instrumental in getting me decide to launch this magazine. I'll even have autographed copies of my book, *Restored Heart & Soul*. That book is dedicated to my father, Henry Bielecki, whom ignited my passion for Chrysler vehicles. He has been gone for 29 years, but not forgotten.

**Happy Father's Day, Dave**

# Man Caves

Our feature page showcasing the Gearhead's favorite building – **The Garage**. It is a revered place, where guys (and gals) who really love cars can work, or just hang out and BS with friends and experience the satisfaction you get from building and owning a cool car or two. For some, it is a home away from home. Hell, we bet some of you have more \$ in the garage than you do in your home! Show us your Man Cave. Go to [www.carcruiseguide.com](http://www.carcruiseguide.com) or email Dave Bielecki, [davebielecki@aol.com](mailto:davebielecki@aol.com) 410-937-6866

ED ROTH STUDIOS

## Bob Kreisel's Man Cave

Bob's garage started out as an old chicken coop built in the early 1900's. Originally home to chickens, turkeys, and pheasants, the remodeled building now houses Bob's Corvette and all his Vette memorabilia.

The garage portion is for his Vette and Caddy, along with the restored gas pump and tons of photos. As you enter the Man Cave portion you notice an old wood stove and some rocking chairs. After Bob rebuilt the place, the birds flew the coop and now he entertains his extended family for Thanksgiving meals, along with visits from fellow cruisers. Although the building has new windows and decorations, many of the original features remain, including the metal roof.

Bob is a member of the Bel Air Corvette Club, and spends many hours with his wife touring in the Vette including places like the Poconos and Watkins Glen tracks. He loves going to the Tail of the Dragon at Deals Gap. It has 318 curves in 11 miles and is America's number one motorcycle and sports car road. He is living the dream!

~~~~~

## Foundation Update

by Doug Wood

Hi gang,

As I write this I'm sitting at one of my customers places watching a groundhog sun himself on the grass bank in front of me... That only leads me to the thought of finally being able to sun myself while driving my hot rod! It had been a brutal winter in terms of wind, rain and cold... I am so thankful the weather broke for the better!!

I was talking to my friend Angelo the other day and he told me about an incident he was involved with. I call it an incident because to me it is somewhat shocking! He was at a friend of his' place and in the garage there sits a pretty bitchin' Willys coupe.

A couple of visitors came by also... As it turns out, they were young guys. Car guys, but tuner enthusiasts! The guys walked right past that Willys coupe like it was no more then your mom and dad's Crown Victoria. Angelo took the opportunity to ask them...

What do you think of this thing? They actually had no real opinion. They didn't know what it was and couldn't really seem to care less. So my question is... What are we doing wrong? Maybe if we slapped an import four-cylinder with a big honkin' turbo charger on it with a 4" outlet muffler, would it then get their attention? Don't get me wrong, I mean no offense to import enthusiasts. But what will it take?

We need the answers to some of the questions that I've asked over these past several months/issues. This summer we will organize some sort of a focus group. We will invite young auto enthusiasts to take part in our discussion to see if we can figure out how best to involve these young folks into our aging street rod and custom lifestyle.

Keep an eye out for the next issue of this magazine... Hopefully we will have some details worked out by then.

See you on the return road!  
**Doug**

# Romancing the Chrome

BENEFITING

7<sup>TH</sup> ANNUAL CAR SHOW BREAKS ATTENDANCE, REGISTRATION, & FUNDRAISING RECORDS

Aven Love Studios

Jarrettsville, Md., April 16, 2018 – A record-breaking number of more than 3,500 spectators enjoyed a day of classic cars at “Romancing the Chrome” on Saturday, April 14, at Jarrett’s Field in Jarrettsville, Maryland.

The family-friendly event featured more than 300 classic automobiles, another record-breaking number, and was organized by the Harford County Public Library Foundation and Jarrettsville Lions Club.

In addition, more than \$17,000, another record-breaker, was raised at the event. Proceeds raised by Harford County Public Library Foundation will go directly back to the community to support the Summer Reading Challenge, STEM, author nights, and more. The Jarrettsville Lions Club will use its share of the funds raised for its Leader Dog Program, which provides service animals to sight-impaired individuals.

Romancing the Chrome also featured a children’s area, Harford County Public Library’s Rolling Reader and Silver Reader, music, vendors, food concessions, and a beer garden.

Joe Ligo, associate producer/editor of Maryland Public Television’s MotorWeek, was the celebrity judge. Harford County Sheriff Jeffrey Gahler was the guest judge selecting the winner of the Third Annual Hero’s Award, in memory of Senior Deputy Patrick Dailery and Deputy First Class Mark Logsdon.

A dozen volunteers spent the afternoon judging the cars. The winner of the \$500 Best in Show prize was Stephen Amspacher for his

1948 Plymouth Business Coupe. In addition, Jarrettsville Creamery & Deli provided gift cards to the Best in Show honoree and to the winners of each car class.

“Romancing the Chrome is a great community event that brings together many generations to enjoy time with one another while admiring gorgeous vehicles,” said Mary Hastler, CEO of Harford County Public Library. “We are so fortunate to have the Jarrettsville Lions Club work with our Harford County Public Library Foundation on the car show. Romancing the Chrome was the perfect way to wrap up National Library Week.”

“Giving back to the community is always important for us at Keene Dodge Chrysler Jeep Ram. That’s why we are proud to sponsor Romancing the Chrome every year,” said Mike Baldwin, general manager. “The Harford County Public Library Foundation and the Jarrettsville Lions Club work tirelessly to make the event enjoyable for all who attend. Most importantly, the car show raises funds for the important work both organizations do in the community. We are always pleased to be part of this great event.”

Next year’s Romancing the Chrome will take place Saturday, April 13 (rain date is Saturday, April 20.)

Harford County Public Library Foundation is a 501(c)(3) charitable organization established to raise funds to augment the financial resources of Harford County Public Library and to promote awareness of its services.

## Remembering

### *Ellen Bradley*

Ellen was one of the founders of the Recycled Teenagers Club. She was the club secretary and came up with the name in 1985. She always made herself available to help, and was enlisted to be the Secretary at MASRA as well. She helped that club out for 10 years, and was awarded "Lady Rodder of the Year"

Ellen enjoyed traveling with her husband Bill. They attended many local events, along with cruising all over the country in their "Fun Time" '39 Panel Truck. She is missed dearly by her friends, family, and fellow Cruisers.

## Club News

### Tri County Cruisers 30th Annual Coming Out Car & Bike Show

The Tri-County Cruisers Rod & Custom Car Club had four Club winners in the 30th Annual Coming Out Car & Bike Show by the Southern Knights, Sunday, April 8th, at the Charlotte Hall Plaza Park & Ride! The weather deterred some of the usual rodders, but the count was 376 registered vehicles to compete against one another! What a show!

Tri-County Cruisers Rod & Custom Car Club brought home some trophies from the 33rd Annual Spring Fling XXXIII Car Show presented by Saint Mary's Rod & Classic Car Club.

Larry Mills' '55 Chevy BelAir

Bill Bushey's '57 Ford Panel Truck

Mike Hall's '73 Mustang

Ronnie Gregory's '67 Lincoln Continental

### Bel Air Corvettes Celebrates It's 45th Anniversary

BACC kicked off 2018 with our 45th Anniversary Party. It was a fun filled night, lots of eating, slide show of past events, (more eating,) dancing, and memorabilia of the past 45 years. Since BACC has supported the community for almost a half-century, we felt compelled to generate a club photo showing member's rides. BACC thanks Phil Wiener, former BACC membership chair, for creating the aerial picture (see photo).

The Bel Air Corvette Club (BACC), Inc. is near the center of the East Region of the National Council of Corvette Clubs, Inc. (NCCC) and was founded in 1973 by a group of local car guys that primarily enjoyed autocross and drag racing. With about 200 members, BACC is usually among the top twenty largest clubs within NCCC.

# Reader's Rides

## Ron Francis' 1960 Rambler Custom Station Wagon

In my search for a "Tin Woody" I saw a couple hot-rodded versions and then just a couple original "Woodie" Ramblers. Expanding the search just slightly produced a totally original 1960 Rambler American with just 37,223 miles on it. The car was also a 2 door on a 100 inch wheelbase. The car was garage kept for 42 years by the original owner until his death. The daughter sold the car to a gentleman who restored it with new paint, original upholstery materials, rebuilt engine, new brakes, clutch, etc. It bounced between a couple dealers for a few years and I snatched it up in November 2014. The car comes with the original owners manual, shop manual, dealer's brochure and even a couple early oil change stickers to document the mileage. The original owner had put about 23,000 miles on the car before it changed hands and was restored. So far every nut and bolt has been rust free, as is the entire car. No patch panels on this all metal vehicle.

This Rambler is powered by the original 196 cubic inches, 90 HP flathead with a 3 speed column shift. The engine is bored .060 over to about 200 Cu In. with a mild cam and increased compression from 8.7 to about 9. A Weber 2 barrel is hidden under the stock air cleaner. The intake manifold is actually part of the flat head and the exhaust manifold is a straight pipe attached to the block.

All the original bright work is on the car except the front bumper guards which were re-chromed but not put back on the car.

The wood is hand painted by Paul Quinn of Design Brilliance of Morton, PA. I chose the longer lifespan of the hand painting since I had seen a GM wagon Paul had done and was instantly convinced this was the way to go.

While it isn't real wood, when was the last time you saw one of these running around? Paul Quinn's painting is so convincing that I have to remind myself that it isn't real. The grain, knots and joints are flawless. Anyone who sees it is convinced it is real and I can't blame them. If only the original cars had been manufactured that way, then maybe more of the Woodie Rambler Custom Series would still be around!

**Have a Car or Truck with an interesting story? Or some cool old photos?**  
**Why not share it with our readers and see it printed in the magazine!**

photo by  
Bill Ross

OK, this Rat Rod thing is getting crazy. This contraption was spotted at Beers' & Gears; it's owner brought a stuffed goat, a beaver, a squirrel and an ex-parrot.
