A Message from Dave

Where does all the time go?

Seems like this year has just whizzed by and the first half of the cruising season is behind us already. With seven straight weekends of rain, and now the heat, it's been real tough to stay positive some days.

Dealing with an elderly mother and mother-in-law haven't done much to pick up my spirits either. Those of you close to me know what I've been up against: Alzheimer's, Dementia, moving into assisted living, selling a house to pay for her care, several emergency room trips for Diane's mom, even a car wreck where my in-law managed to total two cars, when she shouldn't have been driving at the time.

I start to wonder why these poor souls have to hang on, while friends that are much younger pass away. I guess if I had all the answers, I would be doing something different than publishing magazines! So many of you continue to lose your friends, and we all wonder why.

My friend Jerry Anderson passed away at this time 5 years ago and to this day I often think about him. I knew him since high school, and if it wasn't for his encouragement, I never would have started the Cruise Guide.

I believe one day in English class Jerry must have been day-dreaming about cars or girls, or maybe both, and just missed the lesson on definitions. He just did not understand the word Acquaintance. I really don't think he ever had any, once you met this kind man; you were his friend for life. I guess Jerry's mission on earth was complete and God has a new role for him. His passing was a big loss for the car community and for me. I'm sure many of you felt the same way about your friends that are no longer with us. Right now Jerry probably is assisting Peter, waving the checkered flag as our departed friend's burn rubber right through the Pearly Gates!

So folks, no matter what the weather is doing, when parts of life seem to get in the way, let's all make a pack together that we will appreciate the good times at all of our car shows & cruises, and do our best to keep each other upbeat, and happy with what we are dealt with. I certainly believe that is why we are brought together with the one common bond: our love for all these old cars & trucks. I know that I have made so many friends during my 15 years of involvement with classic car shows. And while we are at it, let's take time to take a kid to a show. They need it, and we need them.

Happy Cruising, Dave

Quote from Lee Iacocca - Father of Mustang & hero of the rebirth of Chrysler:

"My father always used to say that when you die, if you've got five real friends, you've had a great life"

Foundation Update

by Doug Wood

Well hello everyone, I certainly hope that you're enjoying your summer. Mother nature has finally moved us from the rain forests and the sun is more than abundant here lately!

By the time you read this our summer car show will likely have already occurred; I hope you made it and were able to make a donation to the foundation.

Once again Kobbies Kustoms has donated a toolbox that we are raffling off. This one is 12 x 12 x 24 and he has embellished it with gorgeous custom pinstriping and murals. Tickets are available for \$2.00 each or 3 for \$5.00.

Contact us if you are interested in tickets or catch us at a local show! It will be awarded at our bull and oyster roast November 10 this year! By the way there is a second prize for this raffle which happens to be a smaller toolbox that is also Kobbieized!!

In the past I have mentioned getting together a focus group to discuss our hobby and where it's going with regards to young people. We have decided to do it in conjunction with the metal meet held at Ron's Rods in the fall. Keep an eye on our Facebook page for updates and I'll discuss it at length in the next issue of this magazine.

We are going to add another

car show to the calendar...

This one to be held on September 23. The folks at the Harford County winery have been generous enough to offer their facility for this event. The cost will be \$10 per car. We will have awards for cars... Not sure if it will be a judged show with trophies or if we're going to go with picks as we do for our summer show. There will be live entertainment and of course you can taste and purchase the wonderful products offered by the winery! There will be some sort of food there... We don't know what kind at this point.

We are in the planning stages of a benefit car show to be held in conjunction with Cruisin' Endless Summer down in Ocean City this year. The wonderful owners of Oasis Bar and Grill in Whaleyville have stepped up to offer their facility for our event. We'll keep you posted as plans develop!!

Tickets are now available for our annual bull and oyster roast on November 10. Get your tickets now and place the event on your calendar. The ticket cost is \$50 per person... Bear in mind that this is a benefit event and a portion of your ticket cost is considered a donation to our foundation. Discuss that with your tax representative.

I hope you continue to enjoy your summer and I hope to see you out and about.....

..... see you on the return road!

Ray Skillman's Classic Cars in Indianapolis, Indiana

While Bill Ross was out shooting the Indianapolis 500 race, the locals mentioned to him he shouldn't miss one man's personal collection at Ray Skillman's Classic Cars, one of his many new area car dealerships.

The building holds Ray's collection of Corvettes, old race cars, and many of his favorites that he fell in love with through the years. One car that stood out was a Mercury Comet racecar driven by Ron Riley that originated at Mc Coy's in Rising Sun, MD. Besides all the cool cars, there was plenty of memorabilia also, even a vintage merry-go-round.

I'll bet there are local dealers in the Mid-Atlantic with similar collections that are not open to the public like Ray's place is. I sure wish they would give the Cruise Guide readers a personal tour sometime. -Dave

Lou Senter, who founded **Ansen Automotive** in 1948 in Los Angeles, produced an extensive line of speed equipment that included pop-up pistons, competition shifters, and the first NHRA-accepted bellhousings. The driver in this Hemi powered rail is thought to be his cousin **Leonard Harris**.

In a short six-month span, Harris, a filling-station owner from Playa del Rey, on the shores of the Pacific west of Los Angeles, went from a relatively unknown racer to being an NHRA Nationals champ and earning a still-standing regard as one of the best race car drivers in the sport's history.

Club News

Tri County Cruisers

It was **Roger Hamilton's** 28th year at *Cruisin' Ocean City*. Roger Hamilton started in Ocean City with his "HAMS '69 Olds" for the first few years.

Well, a deer liked that car and on one evening coming home from a nearby car show, it became part of the front grills and right front fender! So, while it was in the hospital, Roger had this '69 Camaro almost ready to take to the road. The decision was made to go forward with the '69 Camaro and from that time HAMS '69 Camaro has been cruisin' Ocean City in the spring and in the fall!

Bill Bushey's flashy '60 Guards Red Thunderbird won Best Convertible at the *Dunkirk Baptist Church 2018 Father's Day Car Show*. Bill Bushey and Mike Hall, who owns a red '63 Thunderbird ventured out on Father's Day to join approximately 175 other rodders competing against each other in different classes.

Reader's Rides

Bob Baxter's '66 Chevelle SS

After seeing partial shots of Bob's car in the magazine throughout the years, we decided it was time to give Bob's ride the attention it deserves. Here is the history on the car from it's owner- Dave

This all started in the late sixties when I had to walk past a 1966 Chevelle SS396, in Marina Blue on the way to Parkville Sr. High school. Since then, that was the car I wanted--some day. Little did I know, it would take about 40 years to get it. I have always followed Chevilles, and their history, however, my first choice has always been a 1966 Chevelle SS396, Marina Blue, Parchment interior, 4-speed.

My Chevelle underwent a full frame-off, rotisserie restoration in 2007-2009, every nut and bolt. Special attention to the original parts, colors, paint, textures, and finishes of all the parts, inside and out. In 2011, the paint and interior were re-done to what it looks like today. The Chevelle has gone through a three year extensive evaluation by The Maryland Chevelle Club-2011 Judged Silver, 2012 Judged Gold, 2013 Judged Platinum for a final score of 498.5 out of 500, or 99.7%. I am very proud of this, and as my friends know, I drive the Chevelle all over the place.

By the numbers----

There is a few others, but I will keep them to myself.-
