A Message from Dave

A Big Thank You To All 14,999 Of You

I'm getting real tired of talking about all the rain out this year and how it seems to be a repeat of 2018. Maybe if we stop talking about the wet weather it will start to dry up. So instead, I'll use this space to thank all my loyal readers and advertisers of this magazine. It wouldn't happen without both the advertisers and the readers whom support them. After all I have never asked you to pay for a single copy since the inception, and the word "FREE" has always been on the cover. That doesn't work without the paid ads that you see inside the magazine. Way back in 2009 I had an idea for what became the Car Show & Cruise Guide. Thought about it for a long while, then finally just went ahead and did it. Now 10 seasons later, we are still printing what some of you call the Bible for Car Shows.

It is definitely a labor of love that can be traced way back to the early 60's when I was a young kid. All I dreamed about was cars, cars, & cars. It was a good time for someone like me; we had cool rides all over the place. The ones on the used lots were from the mid-50's and the new ones were from the beginning of the muscle car era. Every fall I drug my dad to the

new car showrooms to check out all the new models. Later on I worked my ass off to save money for my first car, a huge '65 Fury. I did some customizing & restoration on it, and I felt like a million bucks riding around in the big boat. Once I graduated high school in 1974, it was the end of the road for all the high performance cars, but the silver lining was they were cheap to buy on the used market.

When it came time to buy my first new ride, everyone was turning towards trucks and vans. So I joined the van craze which leads me to where I am today. I was a member of the North Chesapeake Bay Van Club. Back then the club was doing charitable things while we hung out to shoot the bull about our rides and what we did to make them our own. Sounds like a typical day now in 2019, some 45 years later. And now I get paid to do what I did back when I was 18. Sure can't complain about that folks!

So why did I thank all 14,999 of you? Well I lost one reader over the weekend. Our research has established that we have 15,000 readers between the print and online magazines. I asked one of the readers to never pick up a Cruise Guide again after listening to an asinine comment from him at a show. He was complaining about the paid advertising in the magazine and saying it might as well just be the yellow pages. Well sorry if he can't understand that a targeted publication such as this one needs the ads to survive, and most of you appreciate having ads as a resource to find goods & services for your cars. We try to have a healthy balance between the ads and editorial pages. So if he can't understand the need for our format, perhaps he can't even read. So maybe I lost a "looker" instead of a reader? Anyway, I want to thank the rest of you Guys & Gals; you make all the work I do worth it for me. And by the way, I don't mind constructive criticism that helps me make this a great publication for its fans.

Happy Cruising, Dave www.carcruiseguide.com.

A Love Story...

Kids Buy Back Dad's Mustang Years After He Sold It To Pay Bills

Seventeen years ago, Wesley Ryan decided to part with his beloved 1993 Ford Mustang GT when medical bills began piling up after his wife was diagnosed with ovarian cancer.

His children never forgot the sacrifice he made for their family. So a few weeks ago, they decided to give him a surprise by reuniting him with the car affectionately known as "Christine."

Wesley's son, Jake, came across the Mustang GT during a search online, matching the VIN number so he knew it was the exact same one.

He purchased it from the owner in Kyle, Texas, with the help of his sister, Jeni. Two years earlier, the same owner had refused an offer from the siblings. Now, though, according to the San Antonio Express-News, the owner planned to use money from the sale to help pay for her own mother's cancer treatments, similar to Wesley's situation years ago.

Jake took to Facebook to document the moment Wesley, 47, reunited with the muscle car, which he dubbed Christine after the 1983 movie based on a Stephen King book about a murderous 1958 Plymouth Fury.

"Coming home surprising my pops was a feeling and moment I'll never forget," Jake wrote on Facebook. "To see his face and emotion made it all worth it."

The siblings, along with Jeni's boyfriend, Julian Valdez, pooled their money together to buy the car and then pulled off the surprise on Sept. 1 in the parking lot of a local Kohl's near their home in San Antonio.

They were joined by their mother, Laura, who has been cancer-free for 13 years. As Wesley took off a blindfold, he was overjoyed to see the

Wesley 1999

car that he had driven during what Jake called his '90s "heydays."

A video posted by Jake shows Wesley crying, hugging his family and leaning his head on the car as the song "My Old Man" by Zac Brown Band plays in the background.

Jake plans to work with Wesley to fix up Christine and get her back on the road, just like the old days.

"I know how much it broke him in half seeing that car drive away from him," Jake wrote on Facebook. "A day I'll never forget. Well ... She's back home pops and here to stay this time. Looking forward to building this car with you this time instead of being in a booster seat looking out the window."

"They told me 'Dad, we can never repay you,' but it was never about repaying me," Wesley told the San Antonio News-Express. "I tell them, 'Be successful, be productive, pay it forward.'"

"What they did for me shows where they are: they are balanced human beings. My wife and I have succeeded, we've raised productive adults. It's the strongest, most powerful feeling that a parent can have."

Jake & Jeni.

Foundation Update

Hi folks... I hope this issues message finds you well and that you've been able to get your "toys" out and play with them! Mother Nature hasn't been all that kind where the weather is concerned, hopefully things will get much better shortly!

I'm going to concentrate on fundraising with this message. The car show season has begun and we have actually already received two checks from area clubs to help support the CCCEF. It is my hope that all of you that are involved in car clubs will push your Board of Directors to make the CCCEF at least partial beneficiary of your fundraising efforts.

I wish to remind you that our monthly car cruises and our car show are being held at the Harford Vineyard and Winery. The owners have graciously donated that space for our fundraising efforts. Please come out to one of the cruises and enjoy the lovely setting and the laid-back atmosphere.

Lastly, we are going to try a bull roast one more time! We have signed a contract with Columbus

Gardens for Saturday, November 2 between the hours of one and five. We will host a Bull and Oyster Roast with a live band. Tickets are available now and are priced at \$65 per ticket at the door... However, they are only \$55 when you purchase them in advance. A further discount can be achieved by purchasing an entire table of eight for only \$400. That reduces the ticket price to \$50 per head. The table price is for full tables only and must be purchased in advance! You can find more information regarding the bull roast on our Facebook page or on our website: www.savethehobby.org.

See you on the return road— Doug

Introducing The Car Show & Cruise Guide Special Edition Online Magazine

Hey Car Nuts - Did you know you can read or download a copy of the magazine from our website? It's easy, just visit

www.carcruiseguide.com

and click on the magazine cover link on the right side of the Home page. It's that simple.

Starting with this issue, our online readers will have more content to read, and many more photos to check out. Very often, we have too many photos for the print version. There is a limit on the amount of data we can put on the site, so beginning with June online magazine, we will have more photos of a show as extra pages in the online PDF version of the magazine. (You must have Acrobat or other PDF reader app on the computer to open).

We will have other special pages going forward to reward our online readers. Sometimes a new event listing doesn't make press; it will be added to the online edition. And the best news is you'll be able to read the magazine a week before it hits the street.

If you would like to tell the story of your car and or garage in our pages or have road trip photos, vintage photos, or anything else that may be of interest to our readers, please drop me a line.

Club Subscription Help Needed!

A Plea by Dave-

Over the years, the Cruise Guide has done our best to get bundles of magazines out to various clubs and organizations. Due to my health, I am cutting down on the amount of miles I drive, so I am going to need help with the cost to deliver to the outlying areas. Some clubs already pay for the delivery service, and some run ads that help with the shipping costs, which I appreciate.

For 2019, I am asking for a donation to partially pay the shipping costs to your club. There are 6 issues a year. For 25 copies each time please send \$75; and for 50 copies send \$100 for the complete season. If you purchase ads for your events, we will include the subscription in the ad cost. Please send checks to-TLC Services PO Box 353 Forest Hill, Md. 21050 or contact Dave.

Thank you, Dave

Our feature page showcasing the Gearhead's favorite building – **The Garage**. It is a revered place, where guys (and gals) who really love cars can work, or just hang out and BS with friends and experience the satisfaction you get from building and owning a cool car or two. For some, it is a home away from home. Hell, we bet some of you have more \$ in the garage than you do in your home! Show us your Man Cave. Back in the Day...

This is one in a series of vintage photos of drag racing action in the sixties, and what it was like at Cecil Dragstrip "Back in the Day"

photo courtesy of Arther Dehillo

Bill Flynn, of New Haven, Conn., drove the Yankee Peddler Barracuda and had a competitive heart from the beginning. The former New England Junior Archery champion and two-time minor-league batting champ was working in the service department of Harris Auto Sales and fixing up his car on the side. A trip to Connecticut Dragway in 1962 ended in a humbling defeat and an "I'll show them" attitude, and he did. Here the car is being serviced at Cecil Co. Dragway in 1966.

The First Horseless Carriage Built in 1889 By Henry Nadig - Allentown, Pa.

Double opposed Hydro Carbon Engine.
Belt transmission.
Chain drive.
Two speeds forward. No reverse.
I did not claim that I am fine.
I was built in Eighty Nine.
But claimed that I had come to stay.
Though many Horses ran away.
So many times I was condemned.
The reason that I caused delay.
No living soul could me prevent
Had all the horses run away.

Tom McGowan / Bill Clouser 1955 Chevrolet Dirt Track Tribute Car

My Dad, Tom McGowan, once owned a feature winner, track champion, and competitor at local Pennsylvania dirt tracks during the 1972-1976 period: The Number 27 '55 Chevy driven by Bill Clouser. We decided to build a Tribute car about 2012.

MOTORAMA
2018

After searching a couple of years for an original dirt track 55, my Dad and I drove to Georgia to meet Tammy Cox-Neal who owned this long-retired hardtop. From what she was told, the car was driven by Buck Simmons and was a multiple feature winner. We restored the car over the next several years, and, one month before the paint went on, my Dad passed away, December 29, 2018.

He would be very proud to have seen it in all its glory at the Motorama Show in Harrisburg. This is how he would have remembered it.

What we started with.

The original car in action, around 1972.

Cruisin' for Bob Nelson

Back in the day, Bob had a 1971 Charger that he sold 40 years ago to buy a family car. His love for the older cars and hot rods stayed with him and he made it a tradition to go to Cruisin' OC and Endless Summer.

I met Bob's son Joe through a Facebook post he shared on the Boulevard Cruisers FB page. Bob had become very ill and Joe wanted to fulfill his Dad's last "bucket list" item of going to Cruisin' one last time.

When Bob became too ill to travel, Joe thought he'd bring the cruise to his Dad. He was hoping by his FB post that he could get a few people to cruise by Bob's hospital room window, which he set up for a Wednesday evening 4/17/19. The responses he received from the power of social media were beyond belief. Joe, his friend Chuck Mahla and Ofc. Phil Spears of the Baltimore County P.D. moved the lineup to Lot #1 at CCBC in Essex. They needed lots 2, 3, 4, and 5. There were 350-400 cars that came out to support the family of a car lover. They even had the OC banner that welcomes the Cruisers.

Unfortunately, Bob passed on the morning of the event, but that allowed him to have the best seat in the house. Joe and his two sisters said they felt so much love and comfort from all the people that came to honor their Dad. They were sorry they couldn't say a personal "thank you" to everyone, so I offered to help.

Thank You Cruisers! Anita Hill
