### A Message from Dave

## The season is coming to an end, folks. - Hey not so fast!

With this issue, we find ourselves at the end of the 2019 Cruising Season- please say it isn't so! We still have a good solid month or so of outdoor events ahead of us, and there are a few great events to attend in November & December. October highlights include the Endless Summer Cruise in Ocean City along with the Classic Car Auction. November brings some nice Veterans Day events, and in December we'll be at the Indoor Nationals in Timonium. The Cruise Guide is a sponsor of the show.

The Cruise Guide is also a big time supporter of the Custom & Classic Car Educational Foundation. If you don't know what we do, visit the website: [www.SavetheHobby.org](http://www.SavetheHobby.org). We'll be right

inside the front door at the Indoor Nationals, so stop in and let us know if you are interested in helping us. For now there is a Metal Meet in October that we sponsor, it is a great way to introduce younger Guys & Gals to the art of working with auto restoration tools and you'll get tips from several experts. So take a kid to a show, or better yet the Metal Meet at Ron's.

Another way you can help is to attend the Bull & Oyster Roast on November 2nd. It is a great way to hang out with your friends one last time this year, and just enjoy the day. All the car clubs should consider buying a table at the event, after all our goals are the same as yours, trying to reach the next generations of car enthusiasts. See our ad on page 30 or call me today for more information (410-937-6866).

I can't believe it's already been 10 years of producing this publication for all of the local car nuts. It has been my pleasure to do so, and I'll do my best to do this for another 10. All I ask is that you do your part by supporting the businesses and shows in the magazine - It is their paid ads that make publishing your FREE magazine possible. And one last reminder for the season- PLEASE send your free show listings in to me, you'll be doing my readers & yourself a favor. If your show isn't listed, chances are the cars will be headed in a different direction than your event.

Send those free listings to: [dave@carcruiseguide.com](mailto:dave@carcruiseguide.com)

# Road Trip!

## Cape Cod

When I told my wife Diane I wanted to drive up to Wareham Massachusetts to see the first new VW Beetle UTE kit car, she said fine, but we are taking several days to do all the touristy things around Cape Cod. Boy did we do it all!

First stop was to Smyth Performance where I met Mark, founder of Factory Five Racing. He started building kits to turn cars into UTEs a few years back, and I decided to build the Beetle kit. I couldn't believe all the engineering that went into the kit to make it safe and cool looking.

We stayed in a nice waterfront motel in Falmouth, basically centrally located for all of our excursions. First day it was off to watch whales were we boarded a boat in Providence Town right on the tip off Cape Cod. It was fantastic to be

just a few yards from these magnificent mammals. Our next boat trip took us to Martha's Vineyard to hob nob with the rich and famous. Didn't get to see any living ones, but did see where they lived, and John Belushi's gravesite. Took a tour bus and learned the history of the island which was whaling, not growing vines. Oh well.

Next was off to Plymouth, where the rock was so

Story & photos by Dave

small I was so disappointed. I looked at some local classic cars, then off to the plantation. Except for the cool cars, I wasn't too impressed. So we went back over to Cape Cod. We found the Eli Lilly Heritage Museum. Diane loved the grounds which had the enormous Rhododendrons. There was a cool indoor carousel, but what caught my eye was a big round stone barn. We went inside, and Diane said "great, more cars". Not

exactly in the same tone I might have said that. We were treated to several restored and original cars from the owners collection, most being from the early 1900's.

After five days of doing the tourist things, it was time to go home, which I was dreading the trip through New York. We decided to

spend a little time in Rhode Island, and I found another stop Diane was going to be thrilled with, The Newport Car Museum. It had a nice Mopar display for me, and several other classics and modern cars. **Check out all of my photos of the museum cars in our online magazine.**

For a car enthusiast, this vacation couldn't have been any better - Dave

# Foundation Update

by Doug Wood

*Doug is President of the Classic and Custom Car Educational Foundation*

Well hello all. It's kind of hard to imagine that we are actually coming down the home-stretch of this year's cruising season! With that said, there are some off-season goings on that I'm going to share with you today.

The CCCEF is holding its Bull and Oyster Roast on November 2 from one till five at the Columbus Gardens in Nottingham. You will find further information about this

elsewhere in the magazine. I would like to CHALLENGE each and every car club out there to purchase one table. That represents an expense of \$400 which should be relatively small potatoes to most of the established clubs in our area! Remember that we are a 501(c)(3) nonprofit organization and this money would be considered largely a donation. Double check with your tax professional! We are obviously kid friendly, so feel free to bring along some young people that might enjoy a good time as well as being able to learn more about our organization!

The metal meet at Ron Yeager's hot rod shop, Ron's Rods will be happening the weekend of October 25-27th

Once again, we will co-sponsor this event with some great food both Friday and Saturday! This has always been a highlight of each season and once again young people are not just welcome but, strongly encouraged to come. Ron is an excellent teacher of welding and the metal forming arts! There is further information elsewhere in this magazine regarding this event.

Finally, the CCCEF will have a strong presence at the East Coast Indoor Nationals car show at the Timonium fairgrounds in December. My wife, Jennifer and I

will bring our dragster the Freaky Tiki to the event. We will be allowing people to take a seat in the dragster for photo opportunities in return for a five dollar or better donation to the foundation. Please consider coming out to the show.... Not only for fun but also to support the CCCEF. I look forward to seeing you there. You will also find an ad for this outstanding

event here in the magazine!

Enjoy the remainder of the cruising season and as always... I'll see you on the return road!

## Coming up- Mark your Calendars- October 25<sup>th</sup>-27<sup>th</sup> The Metal Meet at **Ron's Rods**

Come out and learn restoration basics. Please bring a young person with you. Hosted by the Custom & Classic Car Educational Foundation- Kingsville, Md. **Must RSVP.**

*Back  
in the Day...*

This is one in a series of vintage photos of drag racing action in the sixties, and what it was like "Back in the Day"

photo courtesy of Arther Dehillo

One of the early pioneers of the Gasser and Funny Car movement was a gentleman from the Los Angeles area known as "Big John" Mazmanian. His beautiful race cars defined what was then the early years of the Funny Car category with a '68 Barracuda sporting a 426 Hemi engine that is still recognized as one of the finest Funny Cars in history. Painted in Candy Apple Red and lettered with real gold leaf, the car was built by John Foster. Mazmanian retired from the sport in 1972, but his legend lived on, earning him induction into the NHRA Hall of Fame in 1998. John passed away on July 21, 2006, but his time in the sport will never be forgotten.

## Tri County Cruizers

The 10th Annual "60 years of Cars and Stars Nostalgia Drags 32" on August 3, 2019 was a win for a Tri-County Cruiser Rod & Custom Car Club member with his dragster!

Colonial Beach Nostalgic 32 Winner was Mike Tompkins for his "64 Plymouth the "Flying Wedge" dragster, and he came home with a "Nostalgia 32 Winner" plaque! Mike's Flying Wedge won in competition with total of 150 other cars and dragsters.

## Calling ALL Car Clubs Great Food, Drinks, Music, & Fun

The Custom & Classic Car Educational Foundation was created 5+ years ago to help your favorite hobby out by introducing it to future generations. Some of you have stepped up and helped to spread the word of what we do, and some have graciously helped us financially. We truly do appreciate your help.

We have our largest fund raiser coming up on November 2nd, A Bull & Oyster Roast. If every club that gets free copies of this magazine for its members would just buy one table at the event, we could make our goal for the year. And if just 2% of the readers of this free magazine would do the same, it would help us out as well. So come on folks, come out & enjoy the afternoon-

Great Food, Drinks, Music, & Fun. \ or call Doug @ 410-456-2227, or Dave 410-937-6866 [www.SavetheHobby.org](http://www.SavetheHobby.org)
