Car Show
& Cruise  Guide

A Message from Dave

I didn't think anyone expected when we changed the clocks last month we would go from Standard Time all

the way to the Twilight Zone. Back in March we had the April magazine all complete and had just sent it to the printers... then everything was shut down. I had already put time and expense into producing the magazine, and it had to be pulled off the press. I have always been proud of what we produce, and just didn't want to put a magazine out on the street with an entire months' worth of event listings that were not going to happen.

So, you have an abbreviated edition of the April/ May issue in your hands. I have done my very best at the new deadline time to get the most accurate information out. Several shows have cancelled, or moved their dates, so please do not go to a show listed in this magazine without checking first with the show promoter. At this point, everything is subject to change.

The most important thing during these challenging times is your health and well-being. I know it is very frustrating to see a third of 2020's shows cancelled. Do you remember a few years ago? We lost the entire first half of the show season to rain outs. We dealt with it then, and that's all we can do now. Let's all pray that all of our friends are still with us when we are able to finally get out and enjoy the shows and cruises again.

When we are able to get out, please remember that most of the shows donate the funds to a charity, and the people that donate their time to put on the events are struggling also. Let's make sure you put a little extra in the pot when you do get out. And personally, I could use some financial help with postage and delivery expenses. If your club gets a bundle in the mail, it's time to donate some money towards the expense.

So during these troubling times, take the high road, it's less crowded. We will get through this together, and before you know it, we will be able to enjoy showing off our rides at a show or cruise soon.

Stay safe & healthy, Dave

Many events in this publication were sent in before all this Corona Virus mess changed our world- While I hope we can have all the listed events, please don't count on it. I did my best to contact all the remaining listing to make sure they are still having their event. It is in your best interest to check first before driving to a show or cruise - Dave

A Special Announcement from

Whether you have been a loyal attendee throughout the last 29 years or planned to attend Cruisin Ocean City for the first time, we know how special this event is for automotive enthusiasts. We welcome participants and visitors from all over the region with many as far away as Florida, Colorado and Canada. Given all that is going on around us, we cannot in good conscience risk the health and well-being of our participants, sponsors, spectators, vendors, entertainment, staff, as well as the Ocean City community.

After careful deliberation, and in following the latest mandates and recommendations from national, state and local authorities, we are sad to announce **We are postponing Cruisin Ocean City until May 20-23, 2021.**

All pre-registered Cruisin Ocean City 2020 participants and spectators will have their registration/tickets automatically transferred to the 2021 event. However, if you would prefer you can have your registration/tickets transferred to the Endless Summer Cruisin event, planned for, October 8-11, 2020. To do so please call or email our office at 410-798-6304 or infoevent@specialeventpro.com.

In addition, The Jay Leno Show, originally scheduled for May 14, 2020 will be rescheduled to **Thursday October 8, 2020** during Endless Summer Cruisin. Your tickets for the May 14, 2020 shows will be honored for the October 8, 2020 shows. As an added attraction, we are adding another show on **Friday October 9, 2020 at 8pm**. Tickets will be on sale for that show beginning Friday April 10, 2020 at noon from any Ticketmaster location.

We continue to be humbled and thankful for your continued support of our small family business and for being so understanding during these unprecedented times. Above all, we pray you are keeping yourself and your loved ones healthy and safe, and we hope to see you in the Fall for Endless Summer Cruisin, October 8-11, 2020. Together we can make this the biggest Fall Cruisin event yet!

We look forward to celebrating Cruisin's 30th Anniversary with you in 2021!

Sincerely,
The Hennen, Herbert, Lehr and Rothermel Families

Road Trip!

Bill & Mary Jane Goodwin's Summer 2019 RV Trip on Route 66 Part 1

Heading West, we crossed over the Continental Divide on 66/40 and stopped in WINSLOW, AZ to see "The Corner" the EAGLES sing about. There was the Red 'Flatbed FORD' (girl inside), statues and a

facade artistically appointed. Met two fellows from Wales, Rob & Ian, on a Route 66 motorcycle trip. A wonderful, nostalgic small town.

Heading South in California on the 405 we stopped in Burbank and Van Nuys to tour GALPIN FORD in their LARGE beautiful showroom of historic, new, race, and custom vehicles, most all for sale. The collection of Ed 'Big Daddy' Roth's vehicles was a pleasant surprise, not to mention the nostalgic drag race cars and trucks from the 60's and 70's. This showroom is a 'hidden gem' in the area. A must-see.

Monday- Friday, Noon - 1pm CHIP FOOSE opens up his business for tours, usually conducted by him, of his shop, showroom and studio set of OVERHAULIN. Unfortunately Chip was on business travel. You never know what projects he'll have going. This visit, a SBC XKE Jaguar was the feature 'hot rod'.

When visiting Carlsbad, CA you must visit the Miniature Engineering Craftsmanship Museum. Another 'Hidden Treasure' of over 1000 operational miniatures. A miniature 327 V8 caught my eye but there are many more items like guns, boats, planes, trains, steam engines, & clocks.

Man Caves

Our feature page showcasing the Gearhead's favorite building – **The Garage**. It is a revered place, where guys (and gals) who really love cars can work, or just hang out and BS with friends and experience the satisfaction you get from building and owning a cool car or two. For some, it is a home away from home. Hell, we bet some of you have more \$ in the garage than you do in your home! Show us your Man Cave. Go to www.carcruiseguide.com or email Dave Bielecki, davebielecki@aol.com 410-937-6866

When Tom Rosso's car collection out grew his small Carroll County property, he found a place a place with 3 acres with a 2250 Sq. Foot five car attached garage. When doing some exterior remodeling a few years later, he added the work bay along consisting of another 540 Sq. feet complete with heat, A/C, with an in-ground Rotary lift!

With his first car being a 1965 Valiant purchased from his Dad at the age of 16, is it any surprise that he have one of each model of the early a body Mopars manufactured by Plymouth for 1965? Currently 14 in all can be found here at the compound!!

As the collection grew so did the need for additional storage space especially after a run in with the fine folks at the local zoning department. In 2017 we built a 1800 Sq. foot barn complete with 700 Sq. feet of parts storage room upstairs. One thing he learned is that the more room you have, more cars will come. Currently in the 1965 collection they have 4 Barracudas, 2 Valiant Convertibles, 2 Valiant Signet 2 door models, a Valiant Station Wagon, and a Valiant 4 door. Six of the cars are tagged and insured

and get driven at different intervals. There are 3 parts cars in that grouping which always come in handy. After learning that Chrysler had a plant in Australia that manufactured most of these same models in right hand drive, he knew he had to round out the collection so now they have 2 Valiant AP6 Utes, and AP6 Valiant Ambulance, and the one non-1965 model, a 1970 Valiant VG 2 door hardtop.

Tom loves being at this end of the hobby and collecting things that a lot of people may have never seen before. The parts for these early Mopar a-bodies are still pretty available and affordable. While there isn't a true show car in the bunch, they love them all!

Back in the Day...

AQUASCO SPEEDWAY
Aquasco, Md.
Sanctioned by N.H.S.A.

Drag action at Aquasco Speedway, probably around 1958. Bob Sullivan from Edgewood owned this '56 Chevy with the Power Pack optioned 265 and sent this photo of him getting the holeshot on a supercharged '57 Thunderbird. The car saw lots of runs at York, as well as a lot of street action.

Club News

Tri-County Cruisers

The North Chesapeake Bay Van Club Toy Drive

The North Chesapeake Bay Van Club celebrated another successful Toy Drive back in December. Many of the original members from back in the day attended, including the Cruise Guide publisher Dave. The club was established in 1975. Everyone had a great time reminiscing and looking at old photos. Since that time we lost a one of the members, Wookie. He will be missed by so many of us.

Car Show & Cruise Guide 2020

All Clubs Breakfast

We had over 100 members in attendance. The United Methodist women put on another great breakfast where no one goes home hungry. Dave reminded attendees to continue to send in their free show listings this year and let them know display ads are available at non-profit rates for additional exposure.

Doug highlighted news from the Foundation, and The Buick Club Of Maryland made a nice donation to the Custom & Classic Car Educational Foundation. We appreciate Craig & Jerry coming in person for the presentation. Many topics were discussed that pertain to our hobby including bills that would be detrimental to us. My local state delegates, Kathy Szeliga and Teresa Reilly came out to assure us we do have some support in Annapolis, and to answer many questions and concerns. They love our old rides, and are working hard to help us. We all appreciate their support, and that them for coming out and sharing the morning with us. Since that time, the major bills that would affect us have been voted down.

Craig & Jerry of The Buick Club Of Maryland made a much appreciated donation to the Custom & Classic Car Educational Foundation.

Club Subscription Help Needed!

A Plea by Dave –

Over the years, the Cruise Guide has done our best to get bundles of magazines out to various clubs and organizations. Due to recent financial strains on this publication, it would be nice to get some help with the distribution expense. Some clubs already pay for the delivery service, and some run ads that help with the shipping costs, which I appreciate.

For 2020, I am asking for a donation to partially pay the shipping costs to your club. There are 6 issues a year. For 25 copies each time please send \$75; and for 50 copies send \$100 for the complete season. If you purchase ads for your events, we will include the subscription in the ad cost. Please send checks to- **TLC Services PO Box 353 Forest Hill, Md. 21050** or contact Dave.

Thank you.

Reader's Rides

Tom Rosso's 1965 Chrysler Valiant AP6 Wayfarer Utility UTE

This UTE was assembled in Adelaide Australia along with Valiant Station Wagons, and four door sedans. In this name designation the AP signifies "Australian Production", and the word Wayfarer meaning "to go far". Records indicate that there were only 4423 of these made. The only engine option was the 225 cu in slant six producing a whopping 145 hp. In the day, most of these vehicles

were purchase by farmers who used them hard and unfortunately a lot of them were left to rot in the outback. They have become increasingly popular with the Aussie Mopar fans who themselves are having a hard time finding salvageable Utes to restore.

I had been looking to import an Ap6 Utility to complete my nine car Valiant collection but then was lucky enough to purchase one several years ago right here in the States from The Bayer Boys in Georgia. At the time it was thought to be the only one here in the US. That Ute is currently on a rotisserie undergoing a full and much needed restoration. Then on a tip from an Australian Facebook friend in April of 2019, I was told of an AP6 Ute located in Texas that had come up for sale. I had seen a random car show pic of the

Ute online but had no idea where it was. I contacted the seller, negotiated the deal, and brought it to Maryland. Even though it had apparently sold at Barrett-Jackson sometime around 2006, it was obvious that the car had sat out and was neglected for years. The interior was rough, the slant six was shot (which is hard to do), and the transmission was slipping. This one time show car needed some love.

Over the next twelve weeks we did a full restoration to the mechanics on the car. We pulled and rebuilt the engine and transmission. All brake hardware and lines as well as gas tank, fuel lines and shocks were done. A true Australian Valiant radiator was located and brought over. Interior was freshened up and freshly chromed trim bits were installed. The good part is that most of the parts are interchangeable with our American vintage Valiant's and Barracudas from '64-'66 except for those items that are right hand

drive specific. The exterior was buffed and buffed again. We debuted the Ute at the Chrysler Carlisle Nationals in July 2019 and were satisfied in knowing it was the first AP6 Ute to ever do so. While not a show car, it shows pretty well from 20' and is something that most people have never seen!

Have a Car or Truck with an interesting story? Or some cool old photos? Why not share it with our readers and see it printed in the magazine! Contact Dave davebielecki@aol.com or Hutch at phutchins01@comcast.net

PLEASE NOTE: This list includes advertisers whom have a location open to the public. We have several more advertisers that don't publicize an address who you should support. The magazine is also available at many non-advertisers, and at many cruises. You may also read it online, or subscribe to the magazine.

Cruise Nights *continued*

Several clubs have cancelled all their May Cruises. Please check with individual cruises before trying to attend. If you have any changes to send in, please do so by 5/15. We hope things return to normal in June
