A Message from Dave

The 2020 Season is starting to wind down

With this issue, we start to see the

car show season wind down. October is usually very busy, and then November typically signals the end of the outdoor events. Well 2020 sure hasn't been a typical year at all. For some of you, the season never began; you just didn't feel comfortable being around others. For some clubs, your cruises & shows never happened.

For the rest of us after a slow start this spring, we did get out and attended some cruises and shows, doing our best to social distance. Well I'm just not ready to give up on the 2020 show season so I am suggesting we all do what we did in April for the first few weekends in November. Let's all get in our cars and take a cruise together. I'm going to plan two leaving from the Cooptown Show Grounds in Jarrettsville. If you want to put one on, just let me know and we'll include it in our online updates, and on the Facebook pages.

I really hope the Indoor Shows happen this winter. They

always are a great way to break up the winter blues for sure. Please follow our website for updates starting in late October. We will post any news on our home page and our Facebook pages. Be sure to make our site one of your Favorites, it is www.carcruiseguide.com During this crazy year of cancellations, our site was your best way to find out what was going on. And if you don't yet follow us on Facebook, please do so. We have 2 pages, one for the magazines posts, and one for the readers to post.

It has been a tough year to be in the magazine business folks. Some long time advertisers had to pull their ads, and many of the display ads for shows didn't run. Since we are advertiser supported, the bottom line in 2020 was basically at the bottom. We'll continue to do our best to keep the magazine going, and would sure appreciate your help in doing so. Want to see us in 2021? Then please support the advertisers, and support me by submitting your free listings and buying an ad for your event.

Let's all pray we stay healthy in the off season and the next car show season is full of optimism for the future of our hobby. Let's have a great finish to this year's events this fall, and enjoy the Indoor Nationals in December. I don't have a date for the All Clubs Breakfast yet, so make sure you read our December issue for my updates.

Happy Cruising, Dave

CRUISIN' Ocean City

23rd Annual Endless Summer

Thursday, October 8, 2020
Sunday, October 11, 2020

Get ready for one of the hottest car shows on the East Coast, the 23rd Annual Endless Summer Cruisin Car Show as it returns to the beachside resort town of Ocean City Maryland October 8-9-10-11. This four day automotive event continues to be one of the eastern regions largest fall car shows with more than 2,000 hot rods, street machines, customs and more. This event will have various car shows at the Convention Center on 40th Street, as well as the downtown Inlet parking lot plus various citywide locations.

Scheduled to appear at Endless 2020 is Aaron Kaufman from the hit shows Shifting Gears and Fast N' Loud. Aaron will be at the Beachside Inlet Saturday from 10am-3pm.

Being held in conjunction with Endless Summer is the Cruisin Classic Car Corral and Swap Meet. If you are interested in selling your ride with a premiere parking location or selling automotive parts contact cruisinclassicauctions.com or call 410-871-8381.

Some of the top National names in the country will be on display at Manufacturer's Midway located at the Inlet including Advance Auto Parts, Advantage Lifts, AMSOIL, Hagerty, Summit Racing, Sundance Vacations and many more. Also make sure to check out the vendor showroom for all your automotive needs plus jewelry, arts and crafts and more at the Ocean City Convention Center!

Another Endless Summer Cruisin Car Show highlight are the special Boardwalk Parades that will take place Thursday, Friday and Saturday mornings. Parades begin at 8am leaving 27th street and cruisin south along the boardwalk to the Inlet.

Spectator tickets for Endless Summer Cruisin are \$10/day Thursday and Sunday and \$15/day Friday & Saturday. Four day event passes are also available for \$35 at the event. For more information on Endless Summer Cruisin visit www.EndlessSummerCruisin.com or call 410-798-6304.

Endless Summer Cruisin Ocean City has always held safety as our number one priority. The event does not tolerate unlawful activities or the disrespect of Ocean City. During Endless Summer Cruisin the town of Ocean City will be classified as a Special Event Zone where there will be increased fines for speeding, negligent/reckless driving, spinning wheels and alcohol related offenses. We encourage everyone that comes to Ocean City for Endless Summer Cruisin, both participants and spectators, to respect the town and abide by the rules. In addition, we have added extra healthy safety measures for 2020. Please make sure you wear a mask, practice physical distancing and wash your hands frequently while attending Endless Summer Cruisin. Your cooperation will be greatly appreciated. We look forward to a wonderful and safe Endless Summer Cruisin for 2020 and years to come!

ENDLESS SUMMER CRUISIN HEALTH SAFETY MEASURES

WASH UP. MASK UP. BACK UP.

The health and safety of our participants, attendees and the communities we visit continues to be our number one priority. Your assistance in the following guidelines will help ensure everyone enjoys a safe and healthy Endless Summer Cruisin.

- Stay at home if you feel sick.
- Wash your hands frequently.
- Remain 6 feet apart from others.
- Clean Surfaces often.
- Wear a face Mask.

Foundation Update

by Doug Wood

Boy oh boy... Talk about an unusual summer! I know you're probably thinking that that's quite an understatement. All of the shows that we enjoy going to have been canceled and we're left with the few cruises that some folks still manage to put together! Even trying to get into a rhythm, if you will is tough.

I've been racking my brain trying to come up with something interesting to discuss this issue. I came up with a bit of a blank! LOL

The Covid has left us all a bit disconnected, not just from our friends; but from family as well. I personally believe that things will get much better in November...but that's just me.

I'm thinking by the time you read this Ron's Rods metal meet may have already occurred or may be occurring as you read about it! At any rate, It is being held at his Hot Rod shop in Kingsville on October 2nd

3rd and 4th. You can contact him to sign up at 420-592-1148 or me at 410-456-2227. We strongly urge you to connect with young people in your life and sign them up. Even older folks that are just getting started with a project can swing in and learn a ton!! The CCCEF helps to host this event and will provide some breakfast and lunch food for your enjoyment!

As a sidenote... Ron also takes on students throughout the year that want to learn the Metal shaping craft. To that end, we will be subsidizing Ron's Rods with a monthly donation to help cover the cost of welding supplies and various materials that may be required for that endeavor.

I hope that this writing finds you well and that you are coping with the stress of these unusual times!

See you on the return road... *Doug Wood*

Take a Kid to a Car Show

Life is full of choices for kids. You can help them make the right ones by sharing your appreciation for cool old cars.

There have been countless studies done to prove it, but virtually everyone knows that spending quality time with a kid is the greatest gift you can give them. And sharing your appreciation for collector cars is a great way to nurture their interest in a hobby that you can enjoy together for many years to come.

Kurk Collis

Kurk has been customizing vans since there have been custom vans. He started out working for a manufacturer, and now has his own shop., which he calls the Van Spa. He can restore the interior or upgrade your van. He can take a blank slate, or just add some personal touches to your ride. He also makes fiberglass flares & visors, along with bodies for Go Carts. And if you don't own a van but need some interior work, just check out my Bed Bug sometime. Kurk took the drab tan interior to a whole new level in my ride- caution though, its so bright you'll need sunglasses to check it out!

PROUDLY

MADE IN USA

Chavis Performance & Engineering

specializes in turn-key, OBD friendly, emissions capable LS Porsche conversions

While it may be sacrilegious to some I firmly believe it's the best recipe for not only a lot of fun but also a serious threat on the track! I own Chavis Performance & Engineering and we specialize in turn-key, OBD friendly, and emissions capable LS Porsche conversions. I'd love to share more of what we do with you and give you an in-depth look at how we're turning the all too common Porsche 996/997 engine failure into an awesome opportunity for their owners.

*Back
in the Day...*

An unidentified drag racer discusses the run of his 327 powered MG with his freinds at Dover Dragway in 1963.

Reader's Rides

Tim Casey's '54 Half-Ton Chevy Truck

I am a 37 year old from Oaks, Pennsylvania and I've been wrenching on cars with my dad as long as I can remember. I have always liked the 47-55 Chevy AD trucks, but never liked the original state of them... slow and riding rough... I have always dreamed to have one of those trucks that was a driver that's fun and fast using modern technology.

I don't have a garage big enough to work in, so this would have to be tackled outside in my driveway. Which was fine for me, because I wanted a truck that can be driven, used and enjoyed and not sit under cover only to come out a few times a year.

I bought this 54 1/2 ton in the end of May 2018. It was a one-owner Maryland truck stored for 20 years until the owner's death in 1998 (at 98 years old!)

Suspension was modified with a boxed frame using tubular Mustang II independent front suspension with coil overs, TCI front suspension setup with

power steering rack, and adjustable sway bar) In the rear is TCI parabolic rear leaf springs.

I scratch built the entire exhaust and welded it up with side exit exhaust, replaced

front floors, both inner and outer cab corners, both front lower cowls, patch worked the bed and tubbed the rear. Painted here and sanded there to make it all look like it was originally an Arizona barn find with no rust. Bed wood is composite with aluminum strips, and a new 19 gallon tank under there.

The wheels are Riddler 695's 18x8 225/45zr front and 18x9.5 255/45zr rear.

The interior features interior reclining TMI bench seat, new auto custom carpet, all new headliner, kick panels, doors panels, all new glass, 32" tilt steering column, Hurst short throw shifter, Dakota digital VHX gauges, volante leather steering wheel, retro sound radio, dyna matter the inside of the truck, custom made cup holders (used old ac Delco oil filters with a timing chain, clutch fork (mounted a screen on the clutch fork as a back up camera) Subaru WRX clutch/ brake pedal assembly, booster and master cylinder completely stripped off every single wire and completely rewired the entire truck front to back.

I literally did EVERYTHING to this truck, paint and all, 100% by myself in five months. (OK— my wife helped me install the windshield and she helped me carry the bed off the frame and put it back on...)

I don't own a shop/garage, but I am very proud of the truck, so I made a stencil of our last name on the sides of the doors to make it look like a old shop truck as a finishing touch.

Have a Car or Truck with an interesting story? Or some cool old photos?

Why not share it with our readers and see it printed in the magazine!

Asphalt Angels Bowie, MD

photos by Anita Hill

The Asphalt Angels of MD held their Summer Sizzler Car, Truck & Bike Show on 7/26/20, at their new location behind Chaney Tire & Auto at the Bowie Marketplace Shopping Ctr. This fun location offers a variety of food, lots of shade and shopping for all. The Asphalt Angels are grateful for this new location and for the 92 vehicles that came out for a "socially distant" great time. We hope to see everyone on 10/17/20 for our Breast Cancer Awareness Show.

Club Subscription Help Needed! A Plea

by Dave –

Over the years, the Cruise Guide has done our best to get bundles of magazines out to various clubs and organizations. Due to recent financial strains on this publication, it would be nice to get some help with the distribution expense. Some clubs already pay for the delivery service, and some run ads that help with the shipping costs, which I appreciate.

For 2021, I am asking for a donation to partially pay the shipping costs to your club.

There are 6 issues a year. For 25 copies each time please send \$75; and for 50 copies send \$100 for the complete season. If you purchase ads for your events, we will include the subscription in the ad cost. Please send checks to-

TLC Services PO Box 353 Forest Hill, Md. 21050 or contact Dave. Thank you.
