A Message from Dave

Good Bye, 2020

Last winter we had three local indoor shows to attend while waiting for warmer weather for our outdoor events to start. Once we got to March and the cancellation of the **Mid Atlantic Indoor Show**, it was to be a sign of the times. Sorry to say, nothing has gotten better, both the **Indoor Nationals & Drag Fest** for this winter has been cancelled already. Around Christmas time, we'll hear the final decision on **Motorama**. In this issue is a message from **Andy Goodman**, the Event Coordinator of **Motorama Events**, with the disappointing news.

There isn't much scheduled over the next several months, so all I can say is spend the time with your families & getting your rides ready for the spring. Once we get to April or May, the experts are saying we have a good chance of starting to return to some sense of normalcy. For now, please visit our site www.carcruiseguide.com for updates, and we are working on "Virtual **Indoor National Show**" showing the best of the last several years at Timonium.

Rather than focus on all the negative aspects of what Covid has done to the car show scene, I want to end the year to say while it has been very hard to maintain this magazine, it has been worth it for me. Although I haven't made any

money this year from the magazines, my family is well, and we are personally doing OK as my wife still has her job, and I have started to draw off my retirement funds and social security.

I have always published the **Car Show & Cruise Guide** as my contribution to the hobby and it's future. I'll continue to do my best to keep things going. Recently I turned the helm of my boat publication over to a friend, which leaves me with more time to ensure a great future for this magazine. Look for some changes in our next issue, and more content on our site. You will like what you see!

We ended the year just like we started with some cruises through the country side. In April when nothing was open, we went ahead and had some cruises out of Cooptown, and encouraged others to do the same. With all the UN-Official events, most of us were able to get together and make the most of what we had to deal with. During that time, I met two great younger cruisers, **Nicholas & Ryan Sprenkle**. They attended more shows and cruises than I even did. Ryan was recently honored with the **YOUNG CRUISER OF THE YEAR AWARD** at our Foundation Car Show (below).

So, eventually, we will get back to a time when we can do what we do and just have fun showing off our cars. Let's get out in 2021, and hope the only cancellations are for rain. This year I did my best to keep readers updated, so keep visiting our site, read our new issues, and visit our Facebook pages. Remember, the Cruise Guide is your **BEST** source for up to date information on the hobby. Support the advertisers, and tell your friends about us.

**Merry Christmas -
and Have a Safe & Happy New Year,**
- Dave

The Custom & Classic Car Foundation Young Cruiser of the Year

Ryan Sprenkle

Ryan is a very friendly high school senior and drives a '59 Rambler American, certainly a car you rarely see at the shows. At the Foundation Show at Harford Winery, he received this trophy as 2020 Young Cruiser of the Year in the Foundation's efforts to support, encourage and reward those young people that are the future of our hobby. It is our motto:

Foundation Update

by Doug Wood

“What a strange strange trip it’s been”....Those words from the song Truckin’ by the Grateful Dead seems to be the take away from this past summer!

I’ve been wanting to rant online and to others, but I’ve held my tongue! Instead, I thought maybe I would just share with you some of the things that we/I should be thankful for with regards to this Covid crisis!

-as a drag racer, I’m thankful that I spent far less money on racing this year! I also had to spend less money maintaining the Freaky Tiki

-As a hot rodder, I’m thankful that I spent far less money going to Rod runs and car shows this year! As with the Tiki, I also spent less money on the Olds and Jenn’s Mustang. (although I am in the process of putting a new motor in the Olds!)

-As a family man, I am thankful that I spent far less money on vacations this year!

-as a foodie, I’m thankful that I spent far less money going out to dinner with my wife and friends this year!

-as a homeowner, I’m thankful that I was able to spend more time around the house to perform maintenance and do yard work!

-as a compassionate human being, I’m thankful that the hospitalization rate for those infected with Covid is about 2 %!

-Also as a compassionate human being, I’m thankful that the mortality rate is only 2 1/2% of those infected and 7/10 of 1% of the national population!

In all seriousness, the greatest majority of us are healthy. Most of us know folks that have had COVID and recovered fully. Maybe some of you have actually come down with it and are still walking around telling your story. I am certain that there are readers that may have lost a love one due to complications of Covid. For that I am deeply sorry!

I guess my point here is that next year will have to be better than this year and we’ll be thankful that we survived this absolutely crazy and ridiculous pandemic!

One piece of foundation news is that I signed a contract for a Bull and Oyster Roast next year in November. We will keep you posted when tickets become available and to let you know what kind of fun we will be offering at that event!

I sincerely hope that your winter goes well and that you find time to work on your favorite ride while we are all stuck in the house during this latest round of shutdowns. I also hope that you as well as your family and friends remain happy and healthy!

See you on the return road!! -Doug

December/January 2021

A Message from Andy Goodman - Motorama Productions Event Coordinator

Dear Readers,

It is with great disappointment that new COVID-related governmental restrictions in the state of Maryland and Baltimore County will prevent the 2020 East Coast Indoor Nationals from being held as scheduled December 5th & 6th, 2020 in Timonium, MD. Motorama Productions will certainly miss celebrating the automobile and its rich history in America with you this coming December. We look forward to seeing old friends and meeting new ones at the next East Coast Indoor Nationals in 2021 scheduled to be held December 4th & 5th, in Timonium, MD at the Maryland State Fairgrounds in the Cow Palace.

Though disappointed too, we will be supporting and still facilitating our annual commitment to the local community. Joining forces with **Pep Boys Speed Shop of Glen Burnie and the Marines** we want to help make sure that Baltimore County's **Toys for Tots** chapter is as stocked up as can be and ready for Christmas. Be sure to swing by **Pep Boys Sunday 11/29** between the hours of 11am and 3pm at 7311 Ritchie Hwy - drive through with your show car, consider bringing a sealed in package toy to donate, say hello and leave some time to hang out with us.

Respectfully,
Andy Goodman, Event Coordinator

Take a Kid to a Car Show

Life is full of choices for kids. You can help them make the right ones by sharing your appreciation for cool old cars.

There have been countless studies done to prove it, but virtually everyone knows that spending quality time with a kid is the greatest gift you can give them. And sharing your appreciation for collector cars is a great way to nurture their interest in a hobby that you can enjoy together for many years to come.

Reader's Rides

Ray Schefferbien's 1930 Ford Coupe

I purchased this car three years ago, in pursuit of what I really wanted back in the sixties. The super popular '32 is a classic for sure, but you hardly ever see a 1930.

It is an all-steel body with the roof filled and the frame boxed done by Ron Yeager of Ron's Rods. He did the hood straps also.

For motivation, I chose a Chevy 383 Stroker that was built by JB's Auto Machine Co.

The motor was sent to Maryland Performance where it was mated to a beefed-up TH350 automatic transmission turning a Ford 9-inch rear bolted to a 4-link suspension set-up with coil-over shocks.

The front uses the stock setup, but it's dropped two and a half inches with aftermarket spindles.

The Satin Black paint was done by Ron Dietz of Dietz Auto body, with the period-perfect striping done by Kobbie.

'Gotta lotta' money in this one, but it was well worth it. It is beyond the one I imagined having in the sixties. It is one sweet ride, thanks to the talents of this area's many shops that I found in the pages of this magazine.

Back in the Day...

One of the fastest and most lethal B-bodies on Earth was the 1963 D-S/A and SS/FA Plymouth "War Wagon" - a 426 Max-Wedge with aluminum front-end from Clifton, New Jersey. This car single handedly was responsible for trailering more Chevies, Fords and even some Mopars, than any other S/S Plymouth around at that time. It truly was a holy terror! Pete Tritak and partner Bill Morgan put together one of the most competitive station wagons ever seen at an NHRA event. So much so, it was an NHRA national class record holder!

Club Subscription Help Needed! A Plea

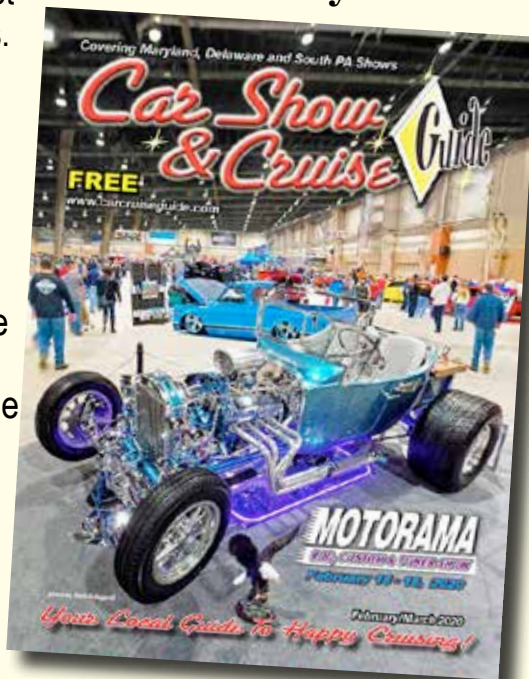

by Dave –

Over the years, the Cruise Guide has done our best to get bundles of magazines out to various clubs and organizations. Due to recent financial strains on this publication, it would be nice to get some help with the distribution expense. Some clubs already pay for the delivery service, and some run ads that help with the shipping costs, which I appreciate.

For 2021, I am asking for a donation to partially pay the shipping costs to your club. There are 6 issues a year. For 25 copies each time please send \$75; and for 50 copies send \$100 for the complete season. If you purchase ads for your events, we will include the subscription in the ad cost. Please send checks to-

TLC Services PO Box 353 Forest Hill, Md. 21050 or contact Dave. Thank you.
