**Car Show
& Cruise Guide**

A Message from Dave

I hope everyone had a great 2021 car show season. While we still have a month or so of events to attend, it's always a bit sad when the season winds down. Only bright spot is Motorama Productions has four big indoor shows scheduled during the off season. We sponsor their East Coast Indoor Nationals Show, held in Timonium on December 4th & 5th. Andy & Swish put on the best events on the East Coast for sure- put all four on your calendars now. Their ad is in this issue and on our website.

If you are attending the Ocean City Cruise and see me, please stop and say "hi". I hope to take as many of our readers rides photos while there and always can count on my friends helping me out. Diane loves the Boardwalk Parade and the Cruise in Berlin. I try to stop in to as many of the smaller parking lot shows around OC. As you can tell, we take a whole lot of pictures when in town, and include many of them in our next Ocean City Special Edition. If you attended in May, check out the photo spread in this issue, or look at the additional pages in our online edition (www.CarCruiseGuide.com).

Our website has become the area's best way to find updated events. We have over 12,000 monthly visitors now, and are

growing. There is no need to look elsewhere for show & cruise information. Hutch & I have you covered, and our listings are updated on a regular basis. Unlike many other sites, we verify the information, and it has to be given to me directly to make the magazine & site. (as you know, you can't trust everything you see on Facebook) If you put on a show or your club does, as long as it benefits a charity, the listing is absolutely FREE! Just email listing or flyer to: Dave@CarCruiseGuide.com .

Do you own or run a business that needs some publicity? The Car Show & Cruise Guide has very attractive rates. Our targeted publication is read by over 15,000 fans. New online opportunities are available, so just reach out to me so you don't miss out on being part the area's best source for Car Show & Cruise information. Please consider joining us in 2022. OK, my work is done here, I'm just going to relax a bit this fall, sit back, put up my feet and enjoy looking at all of your beautiful rides.

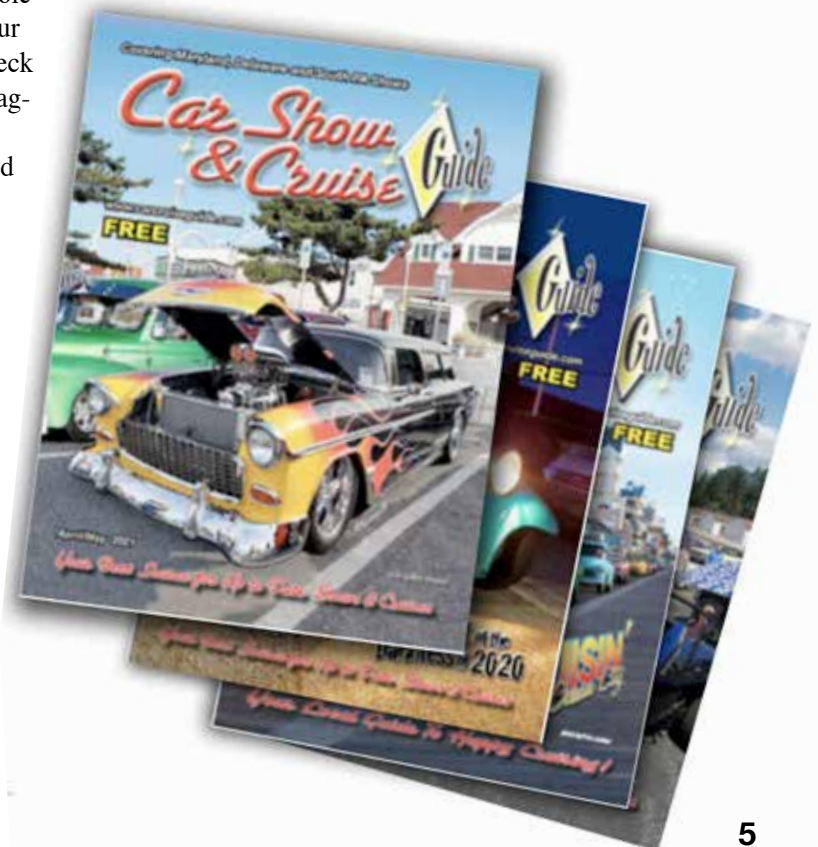

Have a Great Fall & Stay Safe, Dave

P.S. Also, thank you for supporting our Foundation in 2021. Remember us at your year-end tax planning time

Foundation Update

by Doug Wood

The Cruise Guide is a Sponsor of the Foundation

Well it seems the older I get the harder it is to squeeze all the things that I have to do into the allotted amount of time! The Barge is no closer to being done than it was last issue and there's always someplace to go... And it's not car shows and cruises (much to my dismay).

I had the opportunity to go to an event recently that I've only read about since I was very young! Dave has asked me to write a little bit about it, so you'll see that in an upcoming issue. It's just one of those events that leaves you in awe!

Let's talk about some foundation business... Our car show is scheduled for October 2 from 12 to 5. Again, it will be held at Dove Valley Winery up in North East Maryland. There will be live entertainment and two outstanding food trucks. We recognize that there are several other events in the area that day, but none can offer the relaxing vibe that we offer at ours. We appreciate how you spend your disposable income and

hope that you choose to spend it with us.

Also our Bull and Oyster roast is scheduled for November 6th from 1 to 5. Tickets are available now through me or Dave and they will be available online in the very near future. Check our website for the opportunity to purchase them online. Tickets are \$55 each in advance or \$65 at the door. You can purchase a table of 8 for \$400 which represents a five dollar discount per seat. Those tickets must be purchased in advance as well... no partial tables will be sold. As with all of our dances, feel free to bring your hot rod, custom or collectible car. There will be no show, but it's always cool to fill up the parking lot with some bitchin iron!!

Personally, I'm hoping that I can wrestle my time in order to get this damn Oldsmobile done... I hope your summer has been excellent and as always... I'll see you on the return road!

Reader's Rides

Bob Holt's 1961 Corvair rampside truck.

This truck was bought as a total basket case on eBay, and I had it shipped from Washington state to Maryland. It took a total of 4 years on and off to restore. All body panels were hand forged by me, as only some fiberglass were available. The rampside trucks were built from 1961-1964 and then discontinued. They were delivery vehicles primarily, with a 6 cylinder piston-opposed boxer air cooled engine. It has a payload of 3/4 ton, and the side swing-down gate can take 1000 pounds which made it great for loading. These are also known as "FCs" which means forward control. The Corvair 95 emblem refers to the 95 in. wheel base. I added a few upgrades like an American racing steering wheel, carpet, modified engine lid, automatic transmission, and custom two-tone base/clear paint job. The thing is a blast to drive. and they will make you a rock star as they are unusual and definitely head turners.

Have a Car or Truck with an interesting story? Or some cool old photos?
Why not share it with our readers and see it printed in the magazine!

PLEASE NOTE: This list includes advertisers whom have a location open to the public. We have several more advertisers that don't publicize an address who you should support. The magazine is also available at many non-advertisers, and at many cruises. You may also read it online, or subscribe to the magazine.

Our thanks to our new associate Dave DalPezzo who is distributor in the new Pennsylvania locations.
