### A Message from Dave

#### Welcome Car Nuts to 2022

Retirement feels pretty good for my wife & I. I'm semi-retired and Diane left her job last summer. We started doing day trips and when I can, I try to slip in something car related. Since the outdoor show season ended, we have found a few entertaining things to do. They included a visit to Barry's Car Barn and the Classic Auto Mall. I usually try to stop in to the Hershey Museum a few times a year. Motorama Events recently held their East Coast Indoor Nationals & Dragfest shows, and have the Motorama & Mid Atlantic Indoor National show coming up in February & March. See ads in our current issues for more info. For 2022, our plans include trips further away from home, which I'm sure I will find some fun car related events along the way.

After an extremely hard year in 2020, this magazine did better this past year and is holding its own. I hope with everyone's help, 2022 is a great year for the magazine and events we cover.

We have an All Clubs Breakfast coming up on February 26th. The ad & listing are in this magazine, and you all are welcome to attend. All I ask is that you RSVP to [dave@carcruiseguide.com](mailto:dave@carcruiseguide.com) by 2/15 so I can get a head count for the cooks. And because the space is limited to 150, I highly recommend that you do RSVP. For those of you that don't contact me, I can't guarantee a spot for you. We will have a few guest speakers and it is a wonderful opportunity to share your show information with other clubs.

Last issue we introduced our new Online Only Magazine. To refresh you, the print magazine comes out 6 times a year, and it has always been available to download & read from our site. Now on the off months, Paul & I are putting together an additional online magazine to fill in during the times when we don't print. That's right; you can now read a new copy of the Cruise Guide 12 times a year. Just visit [www.carcruiseguide.com](http://www.carcruiseguide.com) and click on the magazine cover on the right. There you will find more content and photos that we just can't fit in the print publication.

What the New Year brings is mostly unknown yet. My hope after losing so many friends and enthusiasts this past year is that we all stay healthy and continue to have many opportunities to get together and share our passions about our rides. I will do my very best to serve the classic car community and produce your best source for up to date events. That's how I roll....

**Happy New Year, Dave**

We try to have a 50/50 mix of ads & editorial space. With less demand for show ads during the off season, the page count must be reduced. So you will find photo spreads of your favorite shows held later in 2021, and early 2022 in the April edition. Also, be sure to visit us in March for a new special online only edition which will have additional photo spreads in them.

*See pictures from these shows in upcoming issues.....*

Dragfest, Unser Racing Museum, Toys for Tots at Glen Burnie Pep Boys, Harford County Mopars at Cooks Motors, 510 Johnnies, Shrewsbury Fireman's Show, & Friday Cruisers. Pictures of some of your favorite cruises will be featured as well. We appreciate all the hard work that our photographers do, and are trying our best to fit all the great shots in the magazine.

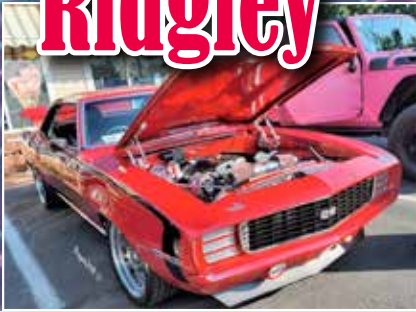

**Please Like our Facebook page, and join the Car Show & Cruise Guide group along with the Friends who like Car Show & Cruise Guide Group.**

# Foundation Update

by Doug Wood

*The Cruise Guide is a Sponsor of the Foundation*

It's funny, we as hot rodders seem to never be satisfied with the weather! Last winter was pretty mild compared to the beginnings of this winter and we're complaining. All I know is, I for one long for better weather so that we can get out and do what we do!

This will be a transitional year for the Foundation. We are going to try some new and different events around the area. Of course, we depend on you to attend these cruises, car shows and other happenings.

We make arrangements for you to have a place to go and then in return we rely on your nominal donations for the opportunity to park and

hang out in some cool places. Dave and I have been meeting with some officials from Bel Air and we're working on some thing that could be pretty big! We are also considering a car show at one of the local large breweries.

We continue to look for volunteers to sit on our Board of Directors and help with these events! It's not easy producing these events with the small crew that we have at present. We hope that you will consider touching base with us and lending a hand!

I don't have much other information to share

with you at this time...

And so as always, stay tuned for more news and I'll see you on the return road!

*- Doug*

## New Automotive Talk Show Highlights Our Region

If you've travelled east or west on the turnpike between Harrisburg and Philadelphia in the past four years, you've likely passed an enormous sign for Classic Auto Mall in Morgantown, Berks County. You may have even ventured into the facility while others continue on their way wondering what that big sign...and big building is all about.

What started as storage for a large private collection five years ago, has turned into a nationally-renowned consignment company for classic and specialty cars from all over the country. Automobiles now occupy most of the 336,000 square-feet of the former Manufacturer's Outlet Mall, which sat vacant for nearly ten years before Classic Auto Mall moved in.

The store spaces are still there, but are now occupied more than 650 cars; Corvettes, Mustangs, '57 Chevys, and just about every collectible car you could possibly imagine. And they're all for sale by consignment. There are also 400 barn finds and historic vehicles on display.

With the business running like a well-oiled machine, President Stewart Howden envisioned a new venture that would highlight the facility and also feature a world he is very familiar with. "The automotive hobby is alive and well," said Howden.

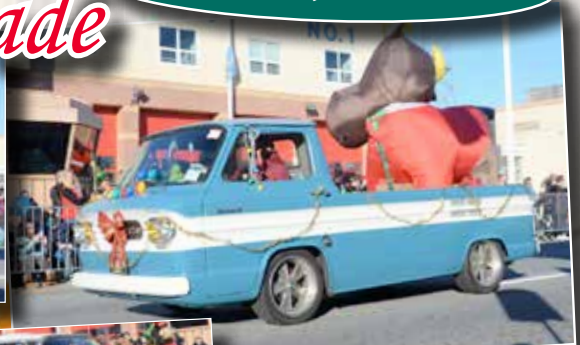

"A podcast that could be heard worldwide would be open to guests in the industry and hobby to give their perspective on racing, cars, or just about any other aspect of the car world."

In late 2021, Howden had a broadcast studio built at the facility where people can watch the show as it was happening; yet another reason to visit Classic Auto Mall where the admission is free. New shows are broadcast every Saturday at 9:00 am on AmericasWebRadio.com and then recorded show are housed there and on Spotify and other podcast platforms. The podcast has also been the catalyst for Classic Auto Mall's increased social media presence. New posts are uploaded just about every day on Tiktok, Instagram and Facebook with a series of video soon to appear on YouTube. Included in those are snippets of the podcast which is videotaped each week.

For more information, see [www.classicautomall.com](http://www.classicautomall.com)

## Elsmere Christmas Parade

photos by Bill Ross

# Collector's Zone by Andy Goodman

Who doesn't enjoy walking down the toy aisles of Walmart, Hobby Lobby or other stores that carry diecast model cars? You know what I am talking about, you take your wife and or kids into the store for something specific, but you take that detour past the diecast car aisle every time just to see if anything catches your eyes on the shelf. I am willing to bet many of you reading this are thinking about the next modification you want to make to your ride, the next show you plan to attend, maybe the first track day you will participate in come springtime..... Or maybe the next model vehicle you will be purchasing to add to your ever-growing collection.

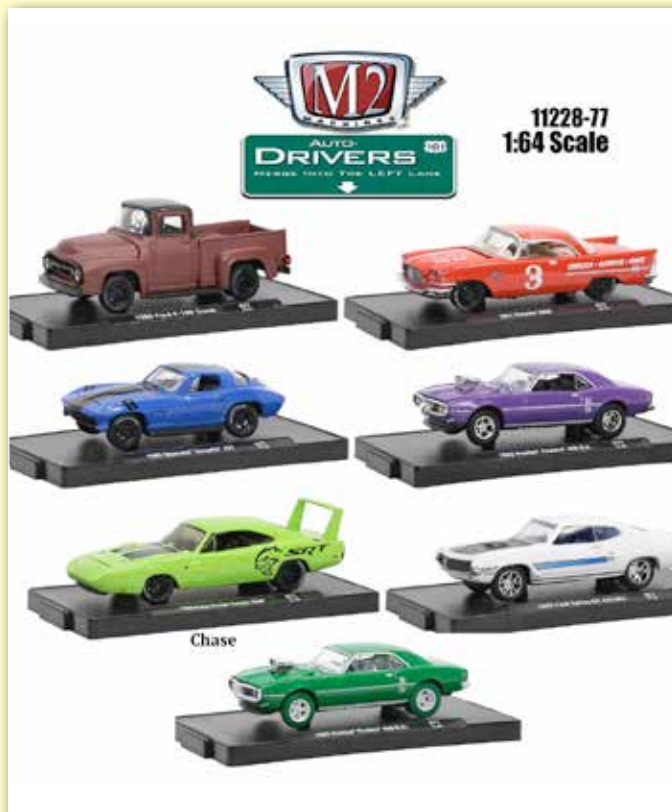

Moving forward we are going to be giving you, our readers, a recap of new scaled model vehicles currently coming to market to help you know what to keep an eye out for.

So, let's jump right into it, here a few new sets arriving soon!

Happy Hunting!

**ACME Trading Company is releasing a new 1:18 1071 Dodge Challenger R/T Street Fighter Chicayne in March.**

# Street Survivors' Xmas Show & Auction

The Street Survivors Car Show and Auction on 11/28/21 at the Elks Lodge in Glen Burnie, was a great event. You could purchase breakfast separately, which was fantastic. With 110 vehicles and lots of auction items, including framed sports photos, some signed, the proceeds from the auction alone were presented to the Alzheimer's Association for \$2600.

# Asphalt Angels

The Asphalt Angels of Maryland Fall Car Show for BREAST CANCER AWARENESS was held on the rain date 10/17/21 in Bowie, MD. With 99 vehicles, this fun show had Live Music by the Rockabilly Rebels, food and ice cream trucks, and over 50 of raffle items. Many awards, with a few uniquely handmade, as well as a few awards from our sister club, the High Rollers of MD.

## New Automotive Talk Show at Home in PA

The Classic Auto Mall, a 336,000 square-foot facility in Morgantown, Berks County that consigns specialty automobiles, has embarked on a new venture...show biz! Beginning last fall, the *Classic Auto Mall Podcast* hit the internet.

Stewart Howden, the company's president, envisioned a broadcast studio in the facility from which to produce an automotive talk and information program. In the quick and efficient fashion Classic Auto Mall has become known for, the studio was built, a production team was hired, and the show began broadcasting in September 2021.

"I see this as a natural outgrowth of our business," said Howden who has been at the helm since its opening in 2018. "Each of these cars has a story and the personalities in the automotive industry and hobby lend themselves to a show like ours."

With close to 1,000 classic and antique cars under the roof of the former Manufacturer's Outlet Mall, there's more than enough content to fill shows for years to come.

As a bonus, the studio is visible from the mall and a speaker transmits the show in real time to the patrons browsing the facility. Admission is free (Classic Auto Mall only requests your email upon entrance) so it's rare to find the place empty; people can watch the interview program or simply tune in at any time online.

The show first airs on AmericasWebRadio.com on Saturdays at 9am after which it is uploaded as a podcast at that website as well as Spotify, GooglePlay, and other podcast platforms. Stewart has already interviewed some notable individuals including world-renowned automotive photographer Michael Furman and Steve Moskowitz, the president of the *Antique Automobile Club of America*.

For more information, see [www.classicautomall.com](http://www.classicautomall.com), or email [podcast@classicautomall.com](mailto:podcast@classicautomall.com)

# Reader's Rides

## Courtney Cavin's '49 Plymouth Suburban Wagon

Courtney Cavin, now the owner of a '49 Plymouth Suburban Wagon, has had a lot to learn since it became hers last spring. Bart Cavin, her father, has been teaching and helping her with everything he can. With his help, Courtney is able to keep a family legacy on the road.

*Courtney with the wagon.*

*How we found it!*

Built in the late 80s by her grandfather, Ken Cavin Sr., the wagon has its own story. Pulled from the woods, the '49 Plymouth Wagon was a shell of a rusty car. Despite laughter and disbelief from friends and family, Ken went ahead with his plans, completely disassembling and discarding the chassis. In its place a new frame, new floors, rack-and-pinion steering, and Lincoln 9" rear were added, all done in Ken's garage with the help of a lot of friends. On to the body, the hood was shaved, the headlights recessed, and a BASF 85

Garnet Red paint job was added. To stay true to its Plymouth roots it is powered by a 1957 392 Hemi. Ken enjoyed the car for many years; it was featured in the December issue of Hot Rod magazine in '91. In order to expand his business, Ken parted ways with the car in 1996. In 2004, in celebration of Ken's 25th year in business, his three children located the wagon in Georgia, providing the ultimate surprise gift for him. Remarkably not much had changed, new front tires was about it. Over the years, updates were made to include new interior and updated wheels. Fast forward to last spring, where Courtney was able to keep the car in the family, becoming the new owner. Due to spending a lot of time learning the art of polishing, the 30-year-old paint and build look pretty darn good.

The wagon has been on the road more in the last year than it had been in the past decade. Bart and Courtney are looking forward to taking it to even more shows this year and to seeing friends who were part of this build three decades ago.

*At the 2021 East Coast Indoor Nationals.*

*At the 2021 Mobtown Greaseball.*

**Have a Car or Truck with an interesting story? Or some cool old photos?**  
**Why not share it with our readers and see it printed in the magazine!**

# Announcing the Online Cruise Guide!

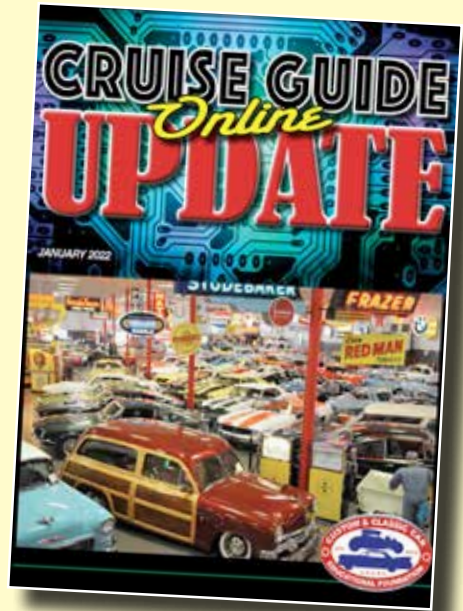

**Now you can read your favorite magazine every month, all year long!**

Starting in 2022, we will have a special online only edition for you to download and print if you wish. So now you get to read the regular magazine in both print or online 6 times a year, and on the in-between months read the special edition online- we have you covered 12 times a year!

You will find more photos of cars from your favorite shows, find out what coming up in the next print edition, and find some new and exciting features. This will be a work in progress, and your feedback will be important to help keep in going. Let us know what you want to add, should be car related, but all suggestions are appreciated. We even might feature vintage campers & boats, maybe even branch out and do a Pet Rescue section. It's really up to you the reader; let me know what you want to see.

And good news for car clubs & show promoters - you can now advertise just online at new special rates - Just ask Dave how.

**410-937-6866 dave@carcruiseguide.com**

## A Message from the Publisher

### **Thanks to all my Readers, Subscribers, and Club Members**

**2022** looks like it might bring more challenges like the past two years did. My biggest concern is rising costs. Postage, printing and gas have increased at a large rate this past year. Since I publish this as a favor to the hobby, not getting a regular paycheck is not an issue. But I'm concerned that certain mailing & distribution costs could cause me to reach in my own pocket to keep things going.

My wife would rather I didn't! So, recently a couple of subscribers paid extra to cover postage, and over the past several years many clubs have helped with the expense of sending out bundles of magazines for the club members. I want to thank you all for your help, and when you can, please consider helping out again this year. Here's to a successful car show season, and a healthy one for all my readers.

– **Dave**

# In Memoriam

*Ken Dubree*

*Marvin Rembold*

*Roger Hamilton*

Lawrence "Ken" Kendell DuBree Past away in December. He was a member of the Recycled Teenager Cruisers a a good friend of many of the Cruise Guide's readers. He will truly be missed... Rest in Peace Ken

The car community has lost another friend. Marvin Rembold passed away on 11/14/21. He loved being outdoors and had many of the hobbies that went with it. It's no wonder that approx. 8 years ago, Marvin bought his 1969 Camaro and restored it. He had a very strong bond with that car and he would only go to car shows that benefited charities. Marvin sold his Camaro this year, but it seemed that he couldn't let it go. He brought it to the BCSG show on Oct. 3rd, and visited the car after that. Keep a heavenly eye on that Camaro, and cruise on friend.

*Written by Anita M. Hill*

We have lost a fine man, Roger Hamilton, co-founder and President of Tri-County Cruisers Car Club. Roger was named Street Rodder of the year by the Maryland Street Rod Association. Our hearts and thoughts go out to his wife Margareta and family. Roger is cruisin' in the BIG Sky in his street rod, looking down with a big smile.

# Carlisle Events and Carlisle Auctions Finalize 2022 Plans, Displays and Schedule

## Special Anniversaries, Showcases, Cool Rides (New and Classic) Await the Automotive World

With 2021 in the rearview mirror, the team from Carlisle Events is actively planning its 2022 season. Two indoor January events kick off the buying and selling frenzy with Auto Mania (January 14-16) at the Allentown Fairgrounds in Allentown, PA and the Winter Carlisle Auto Expo (January 28-29) at the Carlisle Expo Center in Carlisle, PA. The 2020 event season guaranteed to turn heads and draw thousands to Carlisle; America's Automotive Hometown.

In February, Carlisle Auctions gets the wheeling and dealing up and running with an auction in sunny Florida. Following a record setting 2021 where all-time highs for sell through rates and total sales were reached as over 1,000 cars, trucks, and collectibles crossed the auction block. The first and last auctions of the year happen at the SUN n' FUN Expo Campus in Lakeland, FL. The Lakeland Winter Collector Car Auction is February 25-26, while the Lakeland Fall offering is November 10-11. In Carlisle, the Spring Carlisle Collector Car Auction (April 21-22) happens in conjunction with Spring Carlisle, while the Fall auction is September 29-30 as part of Fall Carlisle. In each instance, 400+ lots are anticipated with three great ways to bid; in-person, on the phone, and online by way of Proxibid. There's even an all-truck hour and opportunities to bid and buy for various charity causes. Auction details are available at [CarlisleAuctions.com](http://CarlisleAuctions.com) or by calling 717-960-6400.

Spring Carlisle presented by eBay Motors (April 20-24) welcomes nearly 100,000 guests with like-minded passions into the Cumberland Valley to buy, sell or trade all things automotive. Spring Carlisle, in most cases, is the first large gathering of its type across the country, so it becomes a destination event for gearheads and collectors. The biggest draw is the automotive flea market where thousands of vendors sell millions of pieces and parts, merchandise, and collectibles. There are even cars for sale by owner within the car corral.

In addition, the midway is packed with some of the top suppliers in the industry and is flanked by the ARMO Hot Products Showcase.

ARMO is the SEMA council whose mission is to preserve and promote the automotive restoration hobby. In doing so at Carlisle, the ARMO team spotlights some of the newest and/or most popular items available for your ride. Finally, Spring Carlisle welcomes Carlisle Events co-owner Bill Miller to the stage on Friday, April 22 for his second bi-annual Bill Miller Auction. For a period of time starting Carlisle mid-morning, Bill, with the help of the Carlisle Auctions staff, will sell off some items from his personal collection. The Bill Miller Auction is free for all on-site guests to attend and all items are sold to the highest bidder with no fees attached.

A few weeks after Spring Carlisle wraps up, the Carlisle Import & Performance Nationals (May 13-14) takes center stage. IPN is one of the most unique events in the country, as it spotlights over 2,000 cars from around the world. From popular American Muscle to obscure Asian and European imports, guests are guaranteed to see something they have never seen before. Along with the rare and unique, there are a few special displays and activities planned. Cruise to Carlisle in mid-May for a 30-year tribute to the Subaru Impreza and a feature of Germany's most popular ride; the BMW. There are also many car clubs who gather, making Carlisle their singular meet-up spot for judged or non-judged car show fun.

Just after Memorial Day, THE Ford show of shows happens; the Carlisle Ford Nationals presented by Meguiars (June 3-5). This event hosts Ford lovers from across the country and more than 3,000 vehicles on the National Parts Depot Showfield. While there is no shortage of cars and people, another element of the fun is the staff from Ford HQ. Top level team members roll in from Michigan to host new product showcases, walk arounds and unveilings. In fact, with some new vehicle car shows canceled in and around the mid-Atlantic region, it's reasonable to expect that many consumers will see for the first time at Carlisle, the newest and hottest rides and products coming onto the market. This may include EV components and vehicles, the latest Bronco and more.

The Carlisle Ford Nationals also celebrates the history of the brand with special displays and guests. Planned displays for 2022 include a 60th Anniversary of the Shelby, a showcase of SSP Mustangs (police cars), and even a Light Weight reunion. Finally, the cars hit the streets of downtown Carlisle on Saturday night for the annual Ford Parade and Street Party. Historically, nearly 400 cars from the show itself roll into town for the community to check out. Restaurants offer a mix of dining options for everyone, while shops stay open later with the hopes of some added business from the out of town guests.

Two weeks after Ford weekend, the Carlisle GM Nationals (June 24-25) spotlight over 100 years of history, once again on the National Parts Depot Showfield. Following one of its best years ever in 2021, the GM Nationals plan to spotlight the 3rd Generation Camaro/Pontiac Firebird as part of a 40th anniversary display, celebrate the 60th of the Chevy Nova, the 40th of the Chevy S10 truck, and welcome the return of Corvettes for Chip. The aforementioned Corvette display is a show within the show and supports the Chip Miller Amyloidosis Foundation, while the S10 honors will be spread across two shows, including the Carlisle Truck Nationals in August.

Deep into summer and halfway through the month of July, the Carlisle Chrysler Nationals (July 15-17) open its doors for the annual Mopar family reunion. This tight-knit group of car owners, lovers, and friends cruise to Carlisle following a record setting turnout in 2021. The automotive flea market is the largest of its type in the world, offering many OEM options for die-hard Mopar enthusiasts. In addition to the parts shopping and special guests, the Chrysler Nationals pack the Showfield to the tune of nearly 3,000 cars, including a display dedicated to nearly 50 original/survivor rides. Original and untouched, these beauties sit just east of the grandstand under a big red and white tent.

Additional Chrysler Nationals displays include a 50th Anniversary display of 1972 Mopars, a 25th gathering of the Prowler, a re-do of the 1970 50th that deserved better in 2020, plus a display focused on family. The family display is new and has the potential to tell an amazing array of stories with each car. Maybe the display car was wrenched by a father and son/mother daughter, maybe it was passed down from one generation to the next, maybe it was your first ride or maybe cars were the glue that kept you and your loved ones together. While these are just a few examples, there are many more open-ended options to consider for this display in 2022.

The last quarter of 2022 offers car and truck lovers three more great opportunities to come to Carlisle. Running August 5-7, the Carlisle Truck Nationals presented by A&A Auto Stores welcomes families by the droves. For three days, truck lovers of all ages can see in real life the toys they played with as kids. This includes trucks of all shapes, sizes, styles and eras; plus Monster Trucks, cool custom vans, big rigs, heavy equipment, and even tractors. On-site installs are a big part of the event, as title sponsor A&A Auto Stores manages the upgrades for exhausts, wheels, tires, and more. There are also a handful of planned displays, including part two of the S10 anniversary, the returning low show, Vanarama, and the Big Rig Show and Shine. One could say this is a very sensory show too, with the smells, sights, and sounds available, including the big rig glow show, drop and drag contest, and neon that frequently accompanies the vans.

Specialty show season (car specific events) concludes with Corvettes at Carlisle August 25-27. The world's largest all-Corvette

show celebrates its 40th Anniversary and has the unique distinction of being the first specialty car show ever launched at Carlisle in 1982. This year's offering plans to welcome back Team Chevrolet and their always popular walkarounds, seminars anchored by the Corvette mechanic team and Paul Koerner, car themed anniversary displays, and one ultra-rare gathering of race cars. The displays include the 50th anniversary of 1972 Corvettes, NCRS Gallery display and a 35th Anniversary of Callaway Corvettes. Finally, for the first known time in Corvette circles, multiple generation of Pratt/Miller racing Corvettes come together to anchor Chip's Choice within Building T. The show wraps

up with the Downtown Carlisle Corvette Parade and Street party on Saturday evening, again offering the community a chance to see hundreds of cool cars in motion.

Lastly for Carlisle in 2022 is Fall Carlisle Presented by eBay Motors (September 28-October 2). Fall Carlisle is similar to its spring counterpart in that it offers cars, parts, merchandise, collectibles and more for sale. Enthusiasts and vendors alike converge on Carlisle to celebrate tradition, the car culture and an unmatched camaraderie that only those who are part of the experience can truly appreciate. Fall Carlisle 2022 includes more items by way of

Bill Miller and his collectibles auction, plus serving as a backdrop to it at the stage, the AACA Car Club presents classic cars, trucks, and motorcycles, all while they recruit new club members and promote their upcoming event in Hershey just days after Fall Carlisle concludes. Fall Carlisle really is the last big event to find the parts you need for those winter projects or to wrap up something that's been in the works all summer.

The cars and trucks at Carlisle don't just show, they go. Beginning with the Import event in May and concluding with Corvettes at Carlisle in August, there will be parades (on grounds and off), drifting, auto-cross, thrill rides, rolling exhaust competitions, smoke billowing donuts, and more. In fact, select shows go one step further with low car/truck limbo and a real street shootout, testing a driver's school vs. the clock and the multi-turn course at Carlisle. In most cases, Showfield registration is required to participate in these added activities, but specific details are available via the event's specific web page.

Carlisle Events and Carlisle Auctions are excited about what 2022 has to offer and all elements of event involvement are for sale now. Spectator tickets are available for purchase at a discount online and registration to show is also discounted by 10% through 45 days prior to the event. Vending spaces are also available for those looking to sell tools, parts, collectibles, cars, merchandise, etc. Links to purchase, details on the 2022 AND 2023 schedules, and more can be found at [CarlisleEvents.com](http://CarlisleEvents.com) or by calling 717-243-7855.

*Carlisle Events is a partner or producer of over a dozen annual collector car/truck events. Events are held at the Carlisle PA Fairgrounds (Carlisle, PA), Allentown Fairgrounds (Allentown, PA), the Sunset Auction Facility (Sarasota, FL) and the SUN 'n FUN Expo Campus (Lakeland, FL). The season schedule includes four automotive flea markets of varying size, five auctions, as well as individual specialty shows featuring Corvettes, Fords, GMs, Chryslers, trucks, imports, tuners and performance sport compacts. Founded in 1974 by friends Bill Miller and Chip Miller, events hosted at Carlisle attract enthusiasts annually from all corners of the globe. More information is available at*
