Car Show
& Cruise 

Skippy Dave in Fall of '77 !

Only One More Month of Shows...

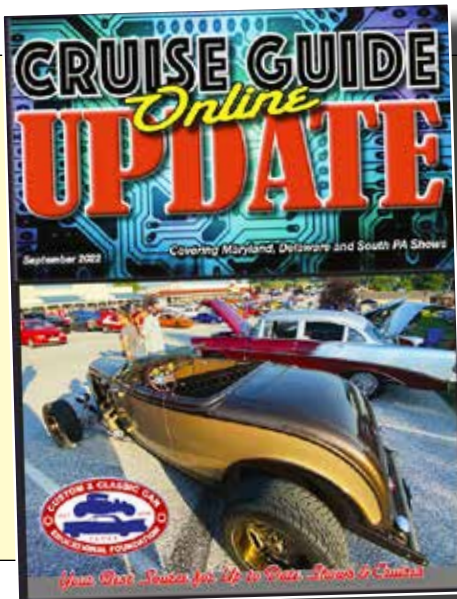

Ok car nuts, usually the last cruise nights and shows are at the end of October, right? Well not quite. There are a few events in November listed; and Doug & I are going to hold an event on November 13th. This magazine and our foundation will have a rain or shine cruise at the **Harford Winery** to thank you all for your support this past car show season. See the ad and listing in this issue. Our **End of Season Bash** should be fun, and you can find out what we have planned for you next year. And don't forget to see us again in February at our **All Clubs Breakfast**; the ad for that will be in the December edition.

As always, when it gets cold outside, **Motorama Events** has plenty of inside shows starting with the **Indoor Nationals** in December. The Cruise Guide is one of the sponsors, and if you typically pick up a new issue at an outdoor event, you can get a new copy right at the front door. You can find out more by reading the ad in this issue.

We are doing our best to keep the magazine coming out 6 times a year for you, despite having our expenses rise about 25% this year. So moving forward, more & more show photos will be found in our **ONLINE UPDATE**, which can be read right from our website. Be sure to read our promo for the **ONLINE ONLY** magazine below my column. If you haven't already visited our site to read the magazine, please take time to do so. The September Online Update features 2 pages of Ocean City memories from 2014; maybe your ride is in it! And keep in mind; the events are updated on our site weekly during the season.

BTW, if you didn't see your show listed in the magazine, don't blame me. I always remind promoters and readers, it is **FREE** to list them, but you have to send them. Next time you attend a show that is not listed, let the folks running it know that this publication is here to help them out, and it just takes a minute to do so. And this magazine gets 10 times the exposure of just posting on Facebook. Try it sometime.

Happy Cruising – Dave

Want to see photos from your favorite show? Our September online issue is packed full of pictures from these events: Chrome City Ride; Burgers & Burn Outs; Lost in the 50's; Old Mill; Cruise for a Cause; Chrysler & Truck Carlisle; Pat's Pizza; Hot August Nights; Reese VFW; Lazy 8 ; Das Awkset Fescht; Harford Co. Mopars; Real Man's Yard Sale; Mike Edem Memorial; Boulevard Cruise; Bombers Show; St. Marks Church; Olivet Church; Moparty; Magic of Science Show; Wheels of Time; Mecum Auction; Cruisin' OC Memories from 2014 and pictures of your friends having a good time at an event!

Please Like our Facebook page, and join the Car Show & Cruise Guide group along with the Friends who like Car Show & Cruise Guide Group.

Foundation Update

by Doug Wood

Those of you that read this column with any regularity know how hard we work to raise money. Some of our fundraisers work, some of them don't... But our last one, the **Real Man's Yard Sale** was a capital success! The yard sale/ swap meet was enormously popular and so well attended by sellers and buyers that we have already outgrown the venue at **Cooptown**. Dave has been working with some folks over at **Harford Community College** and with **Canby Motors** on a funding project for their auto body technician program (more info to follow). The reason that I mention that is we are also negotiating with HCC for space to hold our Real Man's Yard Sale. We do not have a confirmation as of this writing, but Dave and I are shooting for the spring event to be held on April 1 and are hopeful that that confirmation is forthcoming. We will keep you posted as soon as we've been able to get a firm answer.

I also am announcing the next recipient of our Educational Assistance Fund. This young man's name is **Jake Maguire**. If this name sounds familiar, it's because he comes from a family of go-getters. His brother Josh received the award a couple of years ago. Jake is a recent graduate of **Dulaney High School**. He has been working in the automotive field during his spare time since 2018, first with a gentleman with a private collection and then with Ron's Rods. He is aware that **McPherson College** may not be for him, but

The Cruise Guide is a Sponsor of the Foundation

would like to attend **UTI** or possibly **Earlbecks Welding and Fabrication School**. Whichever road he chooses, we will work out a funding plan for him.

Many of you that read this column may not be aware that we have a Facebook page. I would encourage you to follow us on that forum as most of our news is published on there first... Therefore you don't have to wait for a copy of this magazine to be in the know!

On a personal note, Jennifer and I have been quite busy dragging our **Freaky Tiki** race car to various events. Even while we are doing these things for ourselves personally... We continue to promote our cause here at the **CCCEF** by having young folks sit behind the wheel of our front engine dragster. I must tell you that I grin from ear to ear knowing that those smiles and memories may last with that young person for the rest of their life! I hope each and everyone of you will do the same with your hot rod at car shows when young people show a specific interest in your ride!

I can't wait for what's to come next... And as always, I'll see you on the return road!

- Doug

Hey Car Show Judges - We want to put a list of interested people together that can travel up to 50 miles to help judge shows. It would be nice to trade up areas to judge the entries so the vehicles are not ones you are familiar with. Should have a true knowledge of cars, and can leave their personal preferences at home. Email me if interested or if you have ideas to help make this work

Reader's Rides

Eric Kearney's 69 Mustang Mach 1

Buying a 69 Mustang Mach 1 has been a dream since I was a boy. My dad had a 69 Convertible and his brother had a 1970 Mach 1 351 Cleveland 4 speed. My uncle would take me to pre-school in the Mach 1 and I thought it was so cool. He would scare me all the time with his fast driving and speed shifting on the small roads of Dundalk.

I can remember my dad working on the Mach 1 often so I used to see it all the time. Whenever he would leave the house, he would leave 50 feet of rubber on the road. Every light was a chance to peel wheels. Everyone knew him for that car.

Unfortunately, he was taken from us too early because of a motorcycle accident. It made me want to make the dream come true and turned into a desire to get one in his memory.

It took me a few years to find a nice one, but it was worth the wait. I purchased it in 2019 in North Carolina. It's a 1969 Mach 1, Candy Apple Red 351 Windsor 4V with automatic. It had a rotisserie restoration between 2005 and 2007, but you'd think it was just done. I've had a lot of fun tinkering with it, going to shows and meeting the classic car community.

James won best in show last year at Frederick Mustang Fest. It's cool to be recognized, but I've learned meeting great people and driving it are the most fun.
