A Message from Dave

Hey Car Nuts,

We got through a rainy spring without too many cancellations. I'm sure many of you are looking forward to a typical summer season with just an occasional rain storm in the mix. If you can remember way back in 2019 (before Covid) that spring it rained every weekend. That year some events were rescheduled 3 times, and some even moved from the spring to the fall. So I'm not trying to jinx things by mentioning it, just praying for some nice weather.

I am seeing more and more pop-up meets all the time. No one takes ownership of them and sometimes it leads to bad behavior. I don't list pop-up events in the magazine or site. For the most part, the events listed in this magazine are attending by people who respect other owners and their rides, and more importantly, the folks that put on the shows & cruises. The events take too much time to plan and run them, so just remember this and support them, enjoy them, and appreciate everyone's efforts in promoting our great hobby.

While mentioning the hobby, remember Doug Wood and his member's efforts in promoting the future of this hobby. This magazine has partnered with the **Custom & Classic Car Educational Foundation** in reaching out to a whole new generation of enthusiasts. Their site is **www.SavetheHobby.org** and some events you should attend that are fund raisers for the organization are **3rd Saturdays at Harford Winery, and The Real Man's Yard Sale**. The yard sale is now at the **Markets of Shrewsbury on August 5th**. Buyers and sellers don't want to miss it. There is plenty of room now to park. See the details in the ad on **page 11**.

I try to get out to as many events as I can, and am fortunate to have several friends to take photos, distribute magazines and find new events to list. If you see them at a show, let them know you appreciate their effort's in keeping you **FREE** magazine coming. And please do your part by letting your friends and fellow club member know about us and keep sending in those listings. And lastly as I do every year, please support the businesses and shows that buy an ad with us, that's the only way I can continue to publish your favorite car show magazine.

Happy Cruising, Dave

Foundation Update

by Doug Wood

The Cruise Guide is a Sponsor of the Foundation

Don't you just love it when everything turns green... It just tells you that cruising season is in full swing! Hey there all you crazy cool car cats. This issue we're gonna talk about some upcoming events, so let's get to it!

The return of the new and improved Real Man's Yard Sale is coming quickly on August 5. If you've been living under a rock and haven't heard, we are moving up to the Markets at Shrewsbury, so that we might realize our true growth potential. Dave and I tried desperately to find a venue in Harford County to no avail. The Markets at Shrewsbury offers us a ton of space for sellers as well as parking for buyers. Of course the sideline benefit is the outstanding food that's available inside of the market. Spaces will be typical 10 x 20 for \$25 paid before July 16th, \$30 after.

We will also offer some spaces around the perimeter of the sale field for trucks and trailers for \$60 paid before July 16th, \$70 after, that will include enough space for your rig and some selling space. Of course there will be a car corral as well, with space available for \$25 paid before July 16 and \$30 after. It's important that I note that you need to be cognizant of your space requirements. If you even think that you may need two spaces to contain your sale display, buy it now. This year we've managed to set up our website so that you can go to savethehobby.org and register online by clicking a button which will get you to an application, and then on to your payment method. Since we are nonprofit, if you would be so kind as to choose the option to pay the transaction

fee yourself, that would be wonderful! Dave is including a copy of the registration form on the facing page for you non-techies to use. Fill it out in its entirety and forward it to the address indicated along with your payment. We are looking forward to an incredibly successful event... We hope to see you there!

I've mentioned before that there are some clubs in the area that have committed funds to the foundation from the proceeds of their car shows. The Chesapeake region of the AACA, the Buick owners of Maryland and the Freestate region of the Vintage Chevrolet Club of America are all hosting events in the very near future. You will find their listings here in the magazine, so please make it a point

to attend those events and help do your part to make their event successful and to also indirectly, donate to the CCCEF.

Don't forget that the CCCEF hosts a cruise at the Harford Vineyard and Winery on the third Saturday of each month. It's absolutely free, so there's no reason not to come. The venue offers outstanding wines along with some snack items, not to mention the outstanding ambience and serene setting. Please make it a point to come by and if possible, be generous, since the donation jug is always nearby!

As I write this, we are preparing to head down to Ocean City for one of the biggest events of the season! I am most certain that I'll see many of you there! And as always.....

I'll see you on the return road!

– Doug

Save the Hobby

Forest Hill, MD

The rain date of 4/16/23 was beautiful for the CCCEF/ Save the Hobby fundraiser at Harford Winery in Forest Hill. With a turnout of 88 vehicles, awesome pit beef from "Food By Fire", games for door prizes and a 50/50, it was a great, fun day. On behalf of the Custom & Classic Car Educational Foundation, we thank everyone for coming out for the event. We hope to see you at our 3rd Saturday Cruises here at the Harford Winery

Harford County Mopars held their opening night cruise on 4/21/23 at Dunkin Donuts in Aberdeen. The night was special with Ross Medina, who started the group, and was out with friends after 5 weeks in the hospital and rehab. Not many of us knew what happened until we read his timeline on facebook. Everyone was so happy to see him, and we wish him all the best!

Reader's Rides

Mark Schappell's 1986 Monte Carlo

My 1986 Chevrolet Monte Carlo SS was originally bought by a family member, who drove it as his daily driver for its first six years. After purchasing a truck for work, he was only driving it for a few hundred miles a year. Then he needed more room in the garage...Knowing I loved the Monte's. Knowing I would take care of it, he finally offered it to me in 2000 for \$3,500. I jumped on it so fast, he might have thought he could have sold it to someone else for more. Garage kept it entire life and totally original except the Alpine AM/FM/cassette stereo. One of a few ordered in dark maroon with the available gray interior. It

was repainted in 1992 due to peeling of the clear coat as many in the 80's and early 1990's vehicles did. He thought the car looked good without the strip package, so that's how it stayed. I agreed, I like the clean look.

After it became mine, I drove it to a few shows as it was purchased, changing only the rims from the original 15" Rallies, to 17" Chrome IROC's, then Boyd Coddington's. In 2018 when I was given the go from my other half to make some bigger changes. I've been wanting to change the heartbeat with a little more power, but drivable. I purchased a Chevrolet Performance ZZ6 turn-key, 405 hp crate motor with a 750 Holley carb. The car was taken to a friends shop in York, PA for the motor replacement, Hedman hedders, Flowmaster 40's and transmission update to a new R700.

But as always, a bump in the road...I wasn't sure I could continue with my plans as my wife had a stroke a few months into the job. After ten days in the hospital and home, the therapy started. Improving everyday, but not able to work. She's still with me and that means the world to me. I felt I had to stop the project due to new challenges and thoughts of cash flow. But, she wanted it done cause she knew what the car meant to me. She has enjoyed road trips, going to shows and Ocean City.

Since the motor replacement, new Dakota Digital VHX gauges (sensor calibrations by Maryland Performance), Kenwood CD/Bluetooth receiver and Kicker speakers were installed. Front end suspension updated with Detroit Speed 2" lowering kit, Ridler 695 wheels. Rear (18x9) & front (17x8.5). New cowl hood, new dark maroon metallic paint with ghost rallies by Eddie Evans at the Maaco shop in Dundalk, MD. Interior is still original except headliner and sun visors, so my next project could be new carpet and who knows... maybe leather seats ??? Maybe Holley Sniper or Edelbrock Pro-Flo 3 EFI.

As I go to many shows, shooting photos for the Car Cruise Guide. I enjoy driving and showing my ride, happy to receive an occasional trophy amongst many beautiful cars, and trucks. I'm honored to be around many good friends and my best friend, my wife Lorri. Thanks for everything !!

Have a Car or Truck with an interesting story? Or some cool old photos?
Why not share it with our readers and see it printed in the magazine!

In Memoriam

Roger Pritt Bill Hoover Phil Whalen

Roger Pritt

The car community has lost another great friend, Roger Pritt, who passed on 12/3/22. He spent most of his life in the automotive business for work and pleasure. Roger loved Mopars and

was a member of the Harford County Mopars. He loved being at shows and cruises to support the hobby and other causes that he cared about. On May 13th the car community came together to honor Roger at the Bel Forest Baptist Church in Bel Air, Md.- *Anita Hill*

Bill Hoover

Heaven must have needed another great car guy, as the passing of Bill Hoover on 5/4/23 was very sudden. Bill was a true family man, and worked for the MD Transportation Authority for 35 years. He loved showing and cruising in his 1937 Chevy Hot Rod. He will truly be missed. On behalf of the CS & CG, we send our condolences to his family and friends. - *Anita Hill*

Phil Whalen

On April 7, 2023, the Asphalt Angels of MD announced the passing of their member Phil Whalen. Phil was one of our Nation's Veterans, and served for 30 years in the Navy, earning many awards and 2 Purple Hearts. He served during the Vietnam War and Desert Storm. He loved classic cars and had many friends in the hobby. The CS & CG sends our sympathies to Phil's family and friends.- *Anita Hill*
