photo by Bill Ross

Hey Readers - This publication is dedicated to Saving the Hobby. We are working in partnership with the Custom & Classic Car Educational Foundation in reaching a new generation of car enthusiasts !

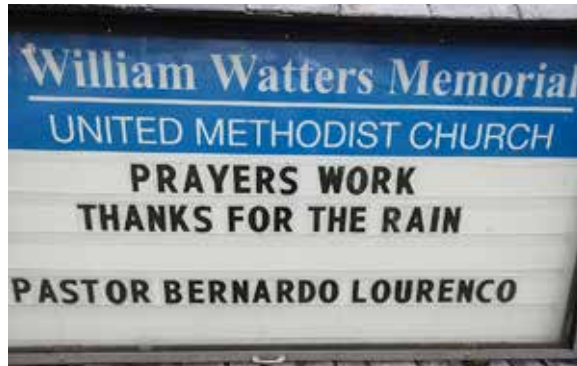

www.SaveTheHobby.org

Hey Car Nuts-

Well we are now past the mid-point of the season. All I can say is it has been a weird one for sure. Seemed to rain every weekend, then we had a hot dry period where the farmers and gardeners were praying for rain. My church even did that and started to feel their prayers had been answered. Well after this last round of overabundance of rain I even changed the message on the sign in hopes the rain would stop. At press time, the forecast is more of the same. Oh well, good car show weather is right around the corner. If not, I'll ask the members of my church to start praying for fair skies again.

I recently went to viewings for two car fiends. We all have lost so many friends this past year, I have just lost count. The reason I mention this is you just never know when it's your time. So let's get in our cars head to a show or cruise, and enjoy this hobby each and every chance you get. Do you have a club or organization that needs some help? Lend a hand or better yet how about making a donation in a friend's name that has passed on. Let's honor them by supporting and enjoying your favorite past time.

This magazine's mission is to support the Custom & Classic Car Educational Foundation. Doug Wood is the face of the

organization, and has a column in each issue of the Cruise Guide. How about reading it and finding out what we are doing. On August 5th it is our main fundraiser, the Real Man's Yard Sale. And on August 19th the Chesapeake AACA is putting on a fundraiser at Harford Winery for the foundation.

That's two ways for you all to start to do your part in helping the future of your hobby.

I will leave you with this... Do you want to see photos from your favorite show? Take time to visit our site www.CarCruiseGuide.com and you can view our Special Online Only magazine, which is full of 100's of photos of area events.

We just are unable to include them all in the print edition anymore. We do the best we can now with the higher costs associated with keeping the print edition going. Make it a habit to read us online every month.

Happy Cruising, Dave

Be sure to read our July Online Only Magazine at: carcruiseguide.com

Going forward, if you want to see pictures from your favorite events, the online magazine is where you will find most of them. As mentioned for a while, it is getting extremely costly to produce a print magazine that resembles past years. We will do our best to include some show photos in the print edition, but your best bet is to come back each month to read the new magazine online.

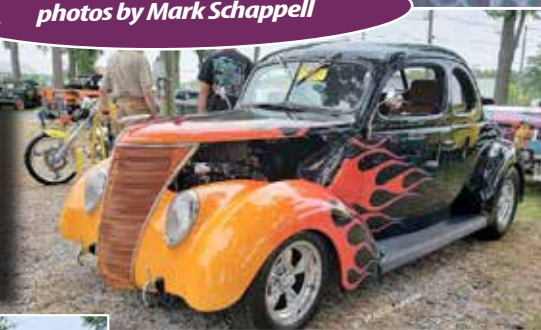

So please be sure to visit our site on the months we don't print: which are: January, March, May, July, September, and November. And the regular magazine continues to come out both print & online on these months: February, April, June, August, October, December. While you are on our site to view the magazine, check out our event tab. Shows are updated weekly throughout the show season. If a promoter misses the print deadline, we still will post their event online.

Foundation Update

by Doug Wood

Well, it won't be long now... All of our energy is going into the planning for the Real Man's Yard Sale. Just in case you've been living on Mars, the yard sale has moved from its prior location in Jarrettsville up to the Markets at Shrewsbury in Pennsylvania. It's being held on Saturday, August 5 from eight until two.

This is a rain or shine event. Similar to last year, registrations have been slow up until about two weeks ago and are going like crazy now. There's still plenty of room, so please find the registration button on our webpage, savethehobby.org. If any of you out there are interested in lending us a hand, we would welcome your assistance. Contact me at 410-456-2227 or Dave here at the magazine.

Our cruise up at Harford Vineyard and Winery on August 19 is being hosted by the Chesapeake Region AACA. The rain date will be September 16th. Let me take this opportunity to personally thank the fine folks with that group for stepping up and hosting a fundraiser to benefit the foundation. Please make it a point to put it on your calendar and join us!

We are pleased to announce that we will be funding a new monthly workshop up at Ron's Rods in Kingsville. There, Ron will go through basic welding,

metal shaping, and various fabrication techniques.

The first one is scheduled for Thursday, July 27 from 6PM till 9PM. These workshops are free to anyone up to the age of 30, since our focus is young rod-ders. If you are past the age of 30, you are welcome to join us, but please help us out with a \$10 donation. Contact Ron at his shop (410-592-1148) to sign up.

The gang here at CCCEF are working hard to put together some very cool raffles. We have already announced the raffle for a pair of Porter mufflers, but we are also looking at some custom pinstriped

toolboxes once again and also some very cool resin hot rods that can be mildly customized to your specs. We plan to have tickets prepared to start selling at the real Man's yard sale, and we will draw the winners at our season closing show up at Harford Vineyard and Winery. You need not be present to win however, should you be the winner, once you are notified, you will need to make arrangements to pickup your prize.

I'm hoping that none of you have washed away or melted during this abnormally rainy cruising season...keep pluggin' away though!!!

Of course, I hope to see you on the return road!!!

– Doug

LIABILITY (The Fine Print) In consideration of the acceptance of the right to participate, entrants, participants and spectators, by execution of this entry form, release and discharge Delaware Street Rods, Bellanca Airfield, their members, representatives, employees and servants, and anyone else connected with the operation of this car show of and from any and all known or unknown damages, injuries, losses, judgments, and/or claims from any cause whatsoever that may be suffered by any entrant to his person or property. Further, each entrant expressly agrees to indemnify all of the foregoing entities, firms, persons, and bodies of and from any and all liability occasioned or resulting from the conduct of entrants or any participant assisting or cooperating with the entrant, under the direction or control of the entrant. OPERATION: Event management reserves right to restrict entrants to acceptable behavior during any and all activities. If for any reason an entrant's conduct is deemed to be objectionable by event management, entrant and his or her vehicle will be subject to eviction from the premises. Any poor behavior off the grounds will be reason for denying admittance of vehicle and entrant to the grounds. In the case of evictions, no refund will be given.

Reader's Rides

James Dickerson's 67 Chevy II Nova

Catch this Nova! The original '67 body spent 30+ years in a Seven Valleys, PA garage before my wife Tammy and I rescued it. The original idea was to just drive it for fun – but the six cylinder just wasn't hot enough so we hot rodded it. After more than 4 ½ years, it is show ready. Though not a rotisserie project, the car has been completely redone with the skilled help of my friends who are superior craftsman.

The engine is a 350 Chevy of unknown horsepower but runs great with the help of an Edelbrock carb and manifold and Hedman Hedders. The transmission is a wide ratio Muncie connected to a custom Moser rear end fitted with 3.73:1 Yukon gears and posi-traction.

Upfront, the suspension was sourced from Church Boys Racing accompanied by a tilt

steering column complete with a walnut wheel with a rack and pinion steering. These changes, sorely needed, make the little Chevy II go straight regardless of speed.

The two-tone custom paint was expertly applied by Glenn Eck of Paintin' Place in Mohn-ton, PA.

The constant support of my wife Tammy, and the help of my friends Smitty, Joey, and the Smith Brothers Family have helped our "Catchanova" reach the winner's circle.

Have a Car or Truck with an interesting story? Or some cool old photos?
Why not share it with our readers and see it printed in the magazine!
Contact Dave davebielecki@aol.com

In Memoriam

Dan Swisher Steve Shott

Daniel "Swish" Swisher June 27, 1950 – July 1, 2023

Daniel W. Swisher III, 73, entered eternal rest suddenly on July 1, 2023 at his home. Daniel is survived by his lifetime partner of 50 years Deborah Gibson and his son Corey A. Swisher. Swish was an avid car show enthusiast and is known for his signature 1957 Chevrolet Bel-Air. He traveled the country showcasing his prized vehicle achieving numerous accolades and awards. The last 15 years of Daniel's life was spent doing what he loved the most and building a car show series which has now grown to 5 shows. He was often seen walking around car shows handing out flyers for his series and socializing with other enthusiasts.

Swishes '57
at the Indoor
Nationals

His mark on the world will also be carried on by the countless lives he touched through his passion for the automotive industry. Swish will be missed by many in the classic car community including Andy Goodman, the staff at the Car Show & Cruise Guide, members of the Save the Hobby Foundation, the Ghost Ryderz Club.

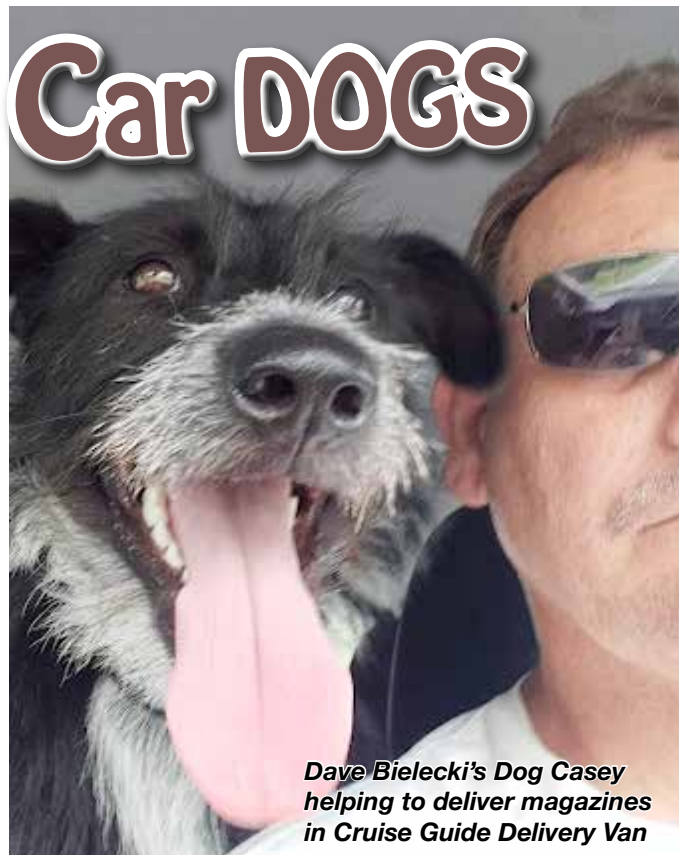

Steve Schott

The Harford County Mustangs announced the passing of their President, Steve Schott, on 6/29/23. Steve was well known and loved with his 2010 Grabber Blue Mustang known as the "Cookie Monster". I'm sure you can imagine the smiles he brought to many kids faces when they saw his car. Steve also had a Harley Softail that he enjoyed along with fishing,

dancing and living it up. On behalf of the Car Show & Cruise Guide, our prayers go out to his family and many friends that. Cruise on in Heaven, Cookie Monster. - Anita Hill
