### End of the 2023 Season is Coming Up

What a strange season it has been! Way too much rain, then a drought, too hot, and then sometimes too cool. The weather just couldn't make up its mind this spring and summer. I for one look forward to fall weather, it's usually cooler and dry, perfect for more car shows and cruises.

There are plenty of events listed in this issue, and on our site. I noticed a few new ones come in this year, so take time to look over the list and plan your fall, even the last weekend in October and first two weeks of November are full of events. If you didn't see your favorite one listed, you should tell the promoters they are missing out on free publicity.

Our friend **Karen Shores** puts on a cruise through **Perry Point** to honor the vets. This year it's on **Veterans Day, November 11th**. She asked me to advertise it this year in hopes that even more of you will come out and support our heroes. Something new this time, she is going to stage the cars at the fire department right outside the gate. This way, everyone can stick together as we drive through the facility. It is rain or shine, so come out and let our vets know the car community appreciates their sacrifices to our country.

Afterward, right down the street, you can hang out with friends at the local Brewery if you want. See the ad in this issue. There is an **End of Season Bash** again at **Harford Winery** on the 12th. Just like last year, you can hang out with the cars, or enjoy the clubhouse on the decks. The big screen TV will have the game on. Also on October 21st is the **Fall Fundraiser for the Foundation at The Winery**. Ads for those events are also in this issue. The Foundation will be running the **All Clubs Breakfast** next year; it returns to the **Bel Air Moose** on February 17th. Details will be in the December magazine.

We are a sponsor of the **East Coast Indoor Nationals** in December so I hope to see you there. Magazines are available at all the indoor shows over the winter, and at our advertisers. Your best bet is to read us online, where a new magazine is posted every month. Make **www.CarCruiseGuide.com** one of your favorites. We hope you enjoy this magazine and we will be back with new features during the 2024 show season. I hope you have been reading our new **Online Update** issues where most of the car show photos are now found.

There is still plenty to do now, so get out and enjoy as many events as you can

Happy Cruising, Dave

## National SEMA Collector Car Appreciation Day

## Foundation Update

by Doug Wood

Hello all and welcome to the tail end of this year's cruising season! The weather is starting to get cooler and our outdoor exploits may get a little bit more pleasant!

I first want to share with you a list of organizations that have made donations to us in 2023 and the amounts...

**Classic Cars of Maryland - \$605**

**Chesapeake Region AACA - \$847**

**Lazy Eights - \$100**

**Watersedge Rec. Council - \$50**

**Free State VCCA - \$300**

**Buick Owners of Maryland- \$500**

There have been more individuals than I can list here that have also made donations, and I wish to thank them along with the organizations listed above!

At our August cruise at the **Harford Vineyard and Winery**, the **AACA Chesapeake Region** handled all of the hosting duties. A little earlier in the summer **Classic Cars of Maryland** hosted a cruise to benefit us at the Fallston Barrel House... If there are any other organizations that would like to do that sort of thing during next year's cruising season, please let us know. We are happy to help with providing a venue, and we can reap mutual benefits from such a pairing.

As most of you read in the last issue, our good friend **Dan "Swish" Swisher** passed away. We have decided to partner with **Motorama Productions**, the group that Swish worked closely with producing all of their highly successful car shows, to memorialize and honor him. We will be purchasing a Trailer to donate to the **York County School of Technology** in order for them to transport engines and supplies for their engine building competitions. That program is dedicated to getting young folks involved with auto mechanics just as the **CCCEF** strives to. This will not be an inexpensive endeavor, so, if there are any of you that wish to contribute towards this cause in particular, we are happy to accept your donations!

Our volunteers here at the **CCCEF** are working on several programs for next year. We hope to collect a large number of small diecast models from folks like you in order to present them to young folks at car events next year. If anyone would like to donate one or some new in the package **Hot Wheels**, **Johnny Lightning** or other quality diecast cars to our cause... Drop us a message and we will make arrangements to meet you to collect your donation.

Our **Real Man's Yard Sale** was a huge success this year. We will return to the **Markets of Shrewsbury** in 2024. The date and details will be announced at our **All Clubs Breakfast**, which will be

on February 17, 2024. Our host again will be the **Bel Air Moose Club** in Forest Hill, Md.

I'm hoping that the next couple of months treat you kindly and - as always... I'll see you on the return road!

– Doug

# Birthday Cruise for Logan

**Parkville, MD**

*photos by Dave*

Logan's Drive-By Birthday Party - Wow, this was an amazing event! The back story of how this came to be is that I've known Logan's Mom for several years. I knew that her son had suffered a massive stroke several months ago. This young man has been through an enormous amount of medical issues to get back home. Then, I saw his Mom's post on FB, that she would love to have a Drive-By Birthday Party for Logan's 13th birthday, because he loves cars. The rest is in all the pictures. We had 83 vehicles parade by Logan's house and his smiles went on all day! I would like to personally thank the car community for making this a huge success. I'd also like to thank the Balto. County Police, Parkville Precinct for their assistance with traffic control! They really helped our caravan stay together! - Anita M. Hill

# High Rollers

Bowie, MD

photos by Drew & Anita Hill

The High Rollers held their Annual Labor Day show at Ledo's in Bowie on 9/4/23. It was a hot day, but they had 120 vehicles come out and participate. Good music by DJ-K, several food choices and nice awards made for a fun day!

## IN MEMORIAM

### Bob Wilcher

Bob loved Summer when he could enjoy his boat, motorcycle and his 1967 Dodge Coronet convertible. He enjoyed working on his car and going to car shows, especially Sunday morning coffee meets. He is survived by his wife Charlene. He spent his career as a welder and owned his own company, Sun Welding. He was always there when you needed a helping hand and will be missed by all. After a hard-fought battle, Bob lost his fight to cancer on May 25, 2023

## Jim & Lisa's Pink Panther

We bought this 1987 E150 shorty about three years ago. It met a lot of the criteria we were looking for to create our own boogie van. Throwback to the seventies & eighties when boogie vans were running wild. What this pink van had that made it so appealing to us was the sidepipes, chin spoiler, visor, 5 spoke Crager rims and the infamous blue dots in the brake lights. It also had a moon roof and vent in the back. The interior was started with a bed frame and a cabinet, but the walls were still bare metal. It was basically a blank canvas for us to create our vision.

We got to work over the winter and put up sound deadening and insulation before installing the wood frame. This will ensure the van reflects the heat rather than hold it in – especially important since we do camp out and sleep in the van at truck-ins. Once the wood frame was up, it was time to install the shag fur. This was quickly becoming that boogie van we envisioned. We also ran wiring and hooked up lights in the bedroom area, above the cabinet and the cockpit. With the 5 switch box console we also had installed our infamous Pink Panther theme song 'horn'. There's no mistaking when we are entering a cruise while playing our song with our pink van!

The first summer, we were still working on the van, but

drove to Van Nationals in Ohio. We didn't know what to expect. We entered the van into the show to be judged. Much to our surprise we won first for our category of Fords. It was such an amazing experience! So cool to be a part of the Nationals with over 800 vans there. Each one is unique and so creative!

Over this past winter, we had the Panther re-painted. Dog House Customs – Bubba Didit is such a creative genius. We worked with him to determine what new shade of pink we wanted. After finding the right shade, it was only a few months before we had her back. The new shade of pink is just gorgeous! We had the vinyl graphics installed and the Pink Panther was back! We have also had the front seats re-covered from the original red color to black with pink piping

and accents. Before taking the van to be painted, we also converted the sliding door to a gull-wing. This gives us much more room to get inside with the door open.

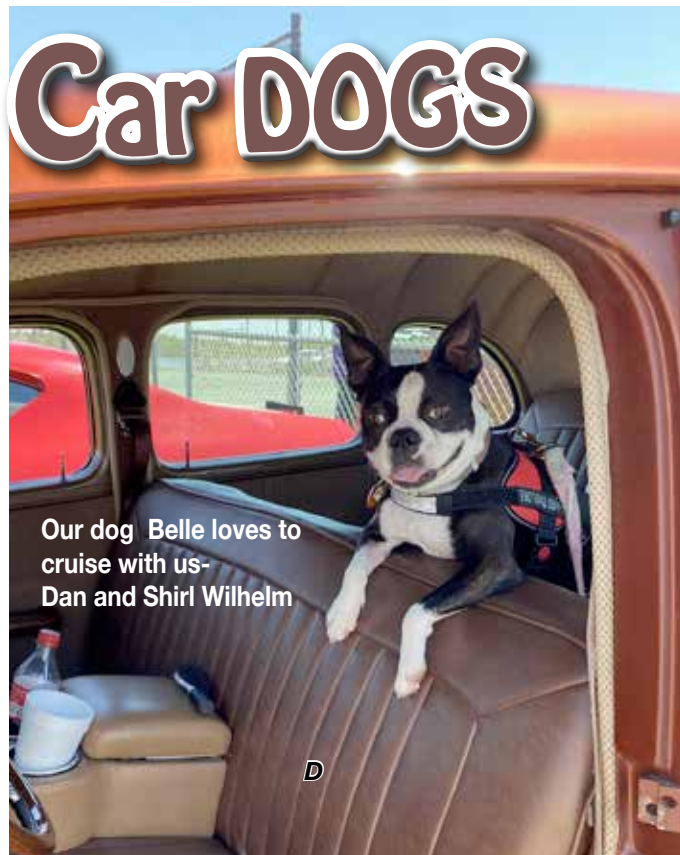

Another proud moment for us was attending Vanarama that was at the Truck Nationals in Carlisle, PA. We were awarded the Elite 10 – meaning we were one of the top 10 trucks/vans of the entire event! Very humbling!

We love driving our Pink Panther and showing her off. Our theme is 'miles of smiles'! If anyone sees us at a show or cruise, stop in to say Hi!
