Welcome to Summer, Car Nuts

After a very wet spring, my guess is we'd better plan on a hot summer. Seems like some years the weather doesn't favor our car show schedule. All we can do is hope for a cool dry June, July, and August. As I write this column, **Ocean City Cruising** is gearing up and I'm keeping my fingers crossed for sunny skies.

Hopefully you looked at the special section about our foundation in the last issue. We just held our spring show at **Big Truck Brewery**, and will have our Fall Show there on **September 14th**.

Real Mans Yard Sale 2023

I hope to see you there; I'm saving a spot for you! Instead of just running one event, my job now with this publication is to help promote hundreds of events in Maryland, Southern Pennsylvania, and Northern Delaware. Your job is to help me out by reading this magazine, visiting our website to see the weekly event listing updates, and supporting all the advertisers that actually pay to have this free publication printed. Make sure you send in your free event listings or copies of show flyers to **Dave@carcruiseguide.com**

Happy Cruising, Dave

The Brewery holds a cruise night every Thursday, and we sponsor one on second Thursdays through the Fall. Our other fund raiser is the **Real Man's Yard Sale** being held **August 17th** at the **Markets of Shrewsbury**. More information can be found in this issue, or online at www.SavetheHobby.org

In the last issue I asked you to come out and support the **Cooptown Car Show** on **June 15th**. This is the event that got me started promoting car shows 20 years ago. We want to make a big splash this year to celebrate the anniversary milestone of this event.

Foundation Update

by Doug Wood

Here we are in the midst of another great cruising season and a recurring conversation between fellow car enthusiasts is on my mind. When you go to a car event, would you rather attend one that is judged with trophies and such or would you prefer to go to one that is more laid-back with unjudged picks? Our car culture is loaded with differing tastes; for instance, me and others build their car to be driven with a trunk full of spare parts, tools, cleaning supplies, and a chair or two. Send me to a Hot Rod event nearby or a couple hundred miles away... My wife and I will jump in the car and get there. Damn the stone chips and the occasional rain! There is another segment of our hobby that has built their car to show it. The trunk and interior is devoid of tools,

parts and dare I say, lint and dirt. It may live in the garage instead of being driven in inclement weather or possibly in a trailer to get it to the next car event. It's an interesting discussion and the range of opinions is enormous... none of them are wrong. We are going to set up a poll on our Facebook page and we would love it if you would chime in and let us know what your thoughts are.

Now for some news... The Cougar and Comet that had been donated to the CCCEF have now been sold, and the funds deposited into our operating budget. Take a look on our Facebook page to see a couple of photos of the happy purchasers.

The Real Man's Yard Sale is fast approaching and you will find a registration form in this magazine. For those of you that are tech savvy, you can also go on our website and register there. Many thanks to our treasurer Jennifer Wood, for wading through the multitude of issues setting up a charitable organization Venmo and PayPal account. You can now pay your registration fees via Venmo or PayPal using the QR codes posted on the registration form. Once again, keep a close eye on our social media to stay abreast of updates and changes, if any, to the yard sale.

As for me... I'm about to jump in to my Oldsmobile and motor down to Cruisin OC. I'll see you there or.... on the return road!

Jim & Linda Hammersla's "Ramstang" '60 Rambler Cross Country Wagon

Jim and Linda Hammersla are the proud owners of this 1960 Rambler Cross Country Wagon. Jim has been around the auto body business for 40 plus years, and the family business, Hammersla Auto

Modifications included extending the hood, fenders and rear unibody by nine and a half inches.

The rear facing seat had to stay by request of the grandchildren. The car was painted Sherwin Williams Barrett Jackson Aqua Mist. After a year of trial and error and some long days, The Ramstang finally came to life!

Body and Restorations is located on Carlisle Street in Hanover, PA. Their three sons Patrick, Ryan and Dustin are a huge part of their success, along with Jose Lorenzo- Ortiz, Andrew Gardner, and Ronald Slick.

Jim is always looking for a project to work on, so Jose said one day "Lets take that 2007 Mustang out back and put it under the Rambler" and that's where it began. They used the frame, engine, drivetrain and interior from the Mustang to create *The Ramstang*.

The Hammerslas are holding a car show on August 4th at their shop in Hanover
