

CRUISE GUIDE *Online* UPDATE

March 2025

Covering Maryland, Delaware and South PA Shows

Dedicated to Saving the Hobby

All Clubs Breakfast 2025

Again this year, the **CRUISE SHOW AND CRUISE GUIDE** held it's **All Clubs Breakfast** on February 15th at the Bel Air Moose Lodge. **J.D. Kuzmann** sat our table and explained some of the benefits of having a broker handle the sale of your car.

The picture on the right is **Buick Owners of Maryland's Craig Bober** presenting Dave Beilecki a donation of **\$500** to **The Custom and Classic Car Education Foundation**. Dave also received a **\$300** donation from the **Lazy 8's Car Club**, plus other cash donation from individual clubs.

Kevin Hornberger, State Representative for the Elkton and Harford Region, was present with information concerning tag and registration laws and the restrictions on street rod modification that can earn you a repair order.

Reminder: *Harford Winery will host a car meet on the 4th Saturday each month and Food by Fire will have hot food and cold drinks on site. Wine is available in club house.*

Foundation Update

by Doug Wood

Happy New Year everyone... I hope this year turns out to be an outstanding one! I know that there are lots of fresh or freshened up builds in the garages right about now, so cruising should be new and interesting this year.

We are still working on our car show and cruise dates at this moment, but we should have some information for you in the very near future. One thing that is etched in stone however, is our **Real Man's Yard Sale!** This year it's being held on August 9th up at the **Markets at Shrewsberry** in Pennsylvania once again. As always, the sale is targeted to auto parts, lawn equipment, motorcycles, tools, etc. No clothing, furniture or toys are permitted (bicycles are fine). In the very near future, I will create an event on Facebook. While doing so, I will make it so that anyone can invite anyone else. When you see this, I encourage you to invite all of your car buddies and gals. Also, I encourage you all to use that event to post the items that you intend to

bring to the sale in the comments section. For instance, one individual that I've spoken with is completing a build of his 33 Ford coupe and he has a bunch of spare or unused parts that he wishes to sell. By posting these items on the event page, it gives everyone following the event the opportunity to see your items, thus creating some buzz for your them and increasing the likelihood that your items will sell. Last year, one of our sellers took advantage of the Facebook tool and left having had a very, very successful day! Please remember that this is a rain or shine event, so be prepared with canopies, rain gear, etc. Also start planning your space now, so that you can fit into the allotted area you are reserving.

I hope that the remaining winter months will allow you time to finish updating, maintaining or completing your ride, and I look forward to seeing you and your hot rod in the upcoming cruising season!

See you on the return road... Doug.

Special note from Doug Wood

As the president of the **Custom and Classic Car Educational Foundation**, I'd like to summarize 2024 for all of you readers. This year we celebrated our unofficial 10 year anniversary and in 2025 we will celebrate our official anniversary as a 501(c)(3) not for profit organization. Car clubs and the automotive community have continued to step up in a big way to support our mission. In 2024 we issued two grants totaling \$5000 and pledged to send **Michael Taylor to McPherson College Summer Session** to the tune of about \$2800. These things can't happen without your help.

The dark side of this message is this: There

have been some who spread rumors regarding our organization. Both the way it's run and the way it's handled financially. We don't seek to expose the folks that start or perpetuate these rumors, however, just know that our mission is true and that anyone that has doubts as to how we spend our money and where the funds go is welcome to contact us. For those of you that are out there that encounter these naysayers, just ignore them and know that your donations are well used and accounted for. Thank you all so very much for your continued support and we look forward to a banner year in 2025! Happy New Year and all of us here at the CCCEF... wishing you all the best in the New Year! – **Doug**

Reader's Rides

Richard Bozelli's '49 Hudson Convertible

Richard Bozelli of Linwood, New Jersey found this rare Hudson convertible in a barn, removed all the sheet metal for repair and rewelded to the body, then had it painted Lazer Red by Tom Cook and Don O'Hara. The cream leather interior was stitched by Jerry at Master Upholstery. It's a street rod all the way with custom wood dash, a modern 6.1 Hemi with 425 hp, 5-speed automatic turning 3.55 gears. It has already won many awards, and was recently featured at the 2014 Indoor Nationals at Timonium, where Richard's display had a photo montage of the 5-year build.

The Fabulous Hudson Hornet

With drivers like Marshall Teague, Herb Thomas and Tim Flock behind the wheel, the Fabulous Hudson Hornet began competing in selected NASCAR events during the 1951 and 1952 seasons. Teague was instrumental in helping Hudson tune the inline six-cylinder-powered engine for competition. When combined with the car's light weight and low center of gravity (because of its monocoque body), the Hornet began to dominate various stock car racing series from 1951 through 1954, consistently beating other drivers in cars powered by larger, more modern engines. Herb Thomas dominated the entire 1953 NASCAR Grand National season. He won a series best 12 races en route to becoming the first two-time series champion. The original Fabulous Hudson Hornet can be found today, fully restored, at the Ypsilanti Automotive Heritage Museum in Ypsilanti, Michigan.
