Hey Readers -

This publication is dedicated to Saving the Hobby. We are working in partnership with the Custom & Classic Car Educational Foundation in reaching a new generation of car enthusiasts!

www.SaveTheHobby.org

Welcome to the April/May Edition

Spring is in the air, and it was good seeing some of you at some early March events. It looks like its going to be a great car show season. You will see several changes this year with some old favorites going away and some new events starting up. The biggest change is that the **Ocean City Show** was bumped up a few weeks by the city; see the ad in this issue. A show I was involved with for 20 years; **Cooptown** is now being run by our friends at **Passion 4 Pavement**. That club also is putting on several other events this year including hosting a cruise at **Harford Winery** on **June 28th**.

One of our founding members, **Mike Robinson** passed away this winter. A special celebration of life for him will be held on **May 24th** at **Harford Winery**. Mike was involved in the car community for years and will be truly missed. He was seen at shows for 15 years in his Corvair Van. Besides for being the best parts department manager in the Mid-Atlantic, he also owned a dealership inventory business.

When I see a young enthusiast at a show I know all of my efforts and the foundations members efforts are worth it. All of us are volunteers and we do it for the next generation of car enthusiasts. This publication will continue through all the help of the folks from the **Custom & Classic Car Educational Foundation**. You can find out more on **page 10**. Please consider joining us to make sure someone is going to still love your ride once you are no longer with is.

I saw several shows posted in our **Facebook groups** that are not in the magazine... wonder why? For years I told you if you want the show or cruise listing in the magazine, you must send it to me. Imagine, getting 10 times the exposure of your social media post just by taking a minute to email it to me! So I won't mention it again: if you want our **15,000 readers** and **100,000 visitors** to our site to see it, it's all up to you. My friend Al gets a kick out of seeing this message time and time again, and some of you still don't get it. So for one last time: **Send your FREE event listings to:**

The Cruise Guide is a Sponsor of the Foundation

Foundation Update

by Doug Wood

This is a big year for us here at the **Custom and Classic Car Educational Foundation**. On October 8 of 2014, we were officially incorporated by the State of Maryland and on April 7 of 2015 we were granted 501(c)(3) status by the federal government. Had you asked Dave and I back at the beginning, "would we still be here in 10 years"?...we may have shrugged our shoulders. But here we are 10 years later, and with the help of a wonderful and changing group of people we have collected over **\$55,000** in donations of which over **\$30,000** has been distributed to worthwhile individuals or groups. To date, we have sent six young people to **McPherson College** out in Kansas, one young person elected to go to **Earlbeck Welding Technologies**, and another chose to go to a **Gene Winfield** metal shaping workshop.

In addition to those deserving young folks, we have sponsored educational endeavors at **Ron's Rod's in Kingsville**, helped the **Classic Motor Museum** down in **Saint Michaels Maryland** to purchase a property which will be dedicated for the education of young folks and partnered with **Motorama Productions** to purchase a trailer for **York Tech**.

It has been our greatest pleasure to help make a difference in young folks lives when it comes to their desire to participate in our hobby, whether it's professionally or as a hobbyist. It is not lost on any of us here that these things could not have happened without generous donations from hot rodders and clubs in our area. We work very hard to be good stewards of your donations and it is our greatest hope that the **CCCEF** continues to grow and can make an impact on even more young folks careers and lives.

Please remember that we are an Mid-Atlantic based organization, and that any young person in our area may apply for our educational assistance fund. If you know anyone that fits that bill, please make sure you steer them to our website save the hobby.org in order that they can complete the application process and be considered for one of our awards.

We welcome any like-minded car enthusiasts to join us as a member. Help is always needed at one of our fundraisers. It is very rewarding to be able to say you did your part in finding younger people to ensure there is a future for this hobby. Just reach out to one of our members to join.

Here's to a bright future for the **CCCEF** and a wonderful working relationship with area clubs and hot rodders going forward!

See you on the return road... Doug.

Used and new parts, wheels and tires, shop equipment, man cave gear, electronics, motorcycle parts, fishing and hunting equipment, tools, ATVs and MORE! All Proceeds will benefit the future of this hobby.

Foundation News

St. Michael's Motor Museum

The Custom & Classic Car Educational Foundation along with the Car Show & Cruise Guide magazine donated funds in 2024 to help meet the goals of the St. Michaels Motor Museum's new Educational Building a reality. Here were the goals:

- 1.** Restore the entire property to a 1950's style service station including antique-style pumps, signage and lighting. This will be a welcoming gateway to the town of St. Michaels
- 2.** Create a hands-on classroom for our Automotive Technician Apprenticeship Program (ATAP) to further their education and encourage others to pursue this vocation.
- 3.** Create a space to store additional classic cars and other automotive related artifacts that will enrich the visitor experience and preserve automotive history for future generations.

These goals were met, and the Museum will now be able to move ahead with rebuilding the facility into a place where the next generation of car enthusiasts can learn some restoration skills. We are happy we could help make this a reality.

Our next project will be to bring Wrenching for the Future to our area for a weeklong build so young guys and girls can get their hands a little dirty while pitching in to rebuild an entire car from top to bottom in a week. The Foundation also donated money for this worthwhile project, and we will pitch in to help find a location for the build. Why not join our members in helping to keep our favorite hobby viable for the future generations?

Mike Robinson

It is very sad for the CS & CG and the CCCEF to write of the passing of **Mike Robinson** on Feb. 9, 2025.

Throughout Mike's life, he was the ultimate auto parts man/manager, working for many car dealers over the last 47 years. His knowledge of parts for vehicles, new and old, was given freely to anyone that needed help. Mike also received the **Automotive Service Excellence (ASE) Award**, and held the title for 40 years.

Mike and his wife also established their own successful business, "Mid Atlantic Auto Dealer Inventories"; which conducted physical parts inventories for many dealers.

On the hobby side, Mike loved working on classic Chevy vehicles since he was young. In recent years, he was working on his **1963 Corvair Greenbriar Van**. He was also a member of the **Vintage Chevrolet Club of America**.

Mike was one of the first photographers for the Cruise Guide, and an original founding member of the **Save the Hobby Foundation**. He was also a judge at many local car shows over the years.

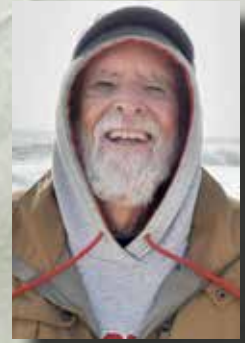

On behalf of the **CS&CG** and the **CCCEF**, we send our prayers to Mike's family, friends and co-workers. On a personal note, Mike was a dear friend to Drew and I for over 23 years. Keep cruisin' Mike, until we see you again. *Sincerely written by Anita M. Hill.*

Dianne Beilecki, Mike Robinson, and Dave Beilecki at Cooptown.

Bob Paulding

Bob pursued his passion for photography, capturing the beauty of nature, landscapes, and the intricate designs of automobiles. His dedication to this art form culminated in the publication of his photography book, "Art of the Car", available at the **AACA Museum** in Hershey. Bob is survived by his devoted wife of 46 years, **Marge Paulding**.

Mike Schulte

The **Street Survivors of Maryland** is sad to notify our collector car community of the passing of our Club Member, **Mike Schulte** on Jan. 27, 2025. Mike was a well respected Member and his presence will be truly missed. He could always be seen with his beautiful red Mustang Fast-back. He proudly won my awards at car shows. Mike and his wife **Cheryl** were and are members we could always count on.

35th Annual

CRUISIN' Ocean City

MAY 1-2-3-4, 2025

Get ready for one of the hottest car shows on the East Coast, the **35th Annual Cruisin Ocean City**, as it returns to the beachside resort town of Ocean City Maryland, May 1-2-3-4, 2025. This nationally recognized event attracts more than 3,000 customs, hot rods, street machines, classics and more. While the main events take place at the beachside Inlet Parking Lot and the 49th Street Lot there will be various citywide locations.

Scheduled to appear at this year's Cruisin, from the hit Netflix series "**Rust Valley Restorers**" is **Avery Shoaf**.

Avery will be at the event Thursday, Friday and Saturday. Also joining the fun will be WWE Hall of Famer, **WWE Ambassador and World Heavyweight Champion Sgt. Slaughter**. The Sarge will be at the event Thursday, Friday and Saturday talking all things wrestling with fans. Additional entertainment includes **Deejay Seaside Jimmy, Cruisin Gold Deejay, the 10th Annual Pin Up Contest, a Neon & LED light car show, a pedal car show, live music and much more.**

Taking the stage during Cruisin will be **Micky Dolenz!** Enjoy an evening of songs and stories with **Micky Dolenz of The Monkees, Thursday, May 1st** at the **Ocean City Performing Arts Center**, show time 7pm. Tickets can be purchased through **eTix** or at the OC Box Office. For additional information visit **www.OceanCity-Concerts.com**

Some of the country's top national names will be showcasing their products in manufacturers midway at the Inlet Parking Lot including **Advance Auto Parts, Advantage Lifts, AMSOIL, Bruno's Classic Muscle, Chevy Performance, Classic Auto Mall, Edelbrock, Euroshine USA, Gateway Classic Cars, Globex Connections, Halo Lifts, Morton's Towing, National Parts Depot, OPTIMA, Rommel Harley-Davidson** and more.

There will also be a **Swap Meet at the 49th Street Oceanfront Parking Lot**. For vendor, car corral or swap meet spots please call 410-798-6304 or email Jacklyn@specialeventpro.com.

Additional Cruisin Ocean City highlights are the special Boardwalk Parades that will take place Thursday, Friday and Saturday mornings.

On Sunday the **Grand Finale Awards** will take place at the Beachside Inlet. Before Cruisin' comes to an end there will be more than 500 trophies, plaques and awards presented plus over 3,000 giveaways.

There is so much to see and do at this year's event, make sure to mark your calendars for **May 1-2-3-4, 2025** and cruise on down to **Ocean City Maryland** for the **35th Annual Cruisin Ocean City**. Advance registration for the event is \$70 and includes the vehicle and 2 spectators (Driver and Passenger) for all 4 days of the event. Spectator tickets are \$15 a day for Thursday, Friday & Saturday and \$10 a day for Sunday, good at the Inlet and 49th Street Lot. Children under 14 are free with an adult. Show hours are 9am-5pm Thursday, Friday and Saturday and 9am-3pm Sunday with the Grand Finale Awards starting at 2pm. For additional information visit www.cruisinoceancity.com or call 410-798-6304.

the trunk floor and inner fender wells. Ensure the trunk light works and all weather stripping is in place. If needed sand any surface scale and paint.

When doing the interior, floor mats should be removed and cleaned and all the carpeting and upholstery should be vacuumed and spot-cleaned. Remove all “hanging or personal items” such as dice, air freshener’s or “Tchotchkes” (like ducks or dancing girls) from the dash. Clean and polish the dashboard; tighten any loose handles and cranks; and polish all chrome/stainless accents. Clean and ensure all gauges

are working. If you’re anal, crawl under the dash and ensure that the wiring is neat, using wire ties if necessary. You should take a couple of pictures of this area for your presentation. Clean both sides of all windows.

Getting Your Car Ready To Sell

It’s spring and you’ve decided to sell your classic or muscle car. You’ve determined your price points and decided where you’re going to present it for sale. It’s now time to prepare the car for presentation and pictures. Remember, your camera is apt to show everything and is an indication of how well you cared for your car.

For most people, that preparation just includes washing, some vacuuming, and maybe waxing the car. Another option is to have the car detailed by a professional. Either approach can be acceptable, but ensure you’ve addressed the entire car, making it so appealing that if you were in the market, you would want to buy it.

From the bottom up: The undercarriage is one of the most neglected and maintained or detailed areas. It’s one that should be included in your sales presentation photos. So, at least wipe off the cobwebs, exposed tar, grease, mud and dirt on all suspension parts, floorboards, and wheel wells. You should also sand off any surface scale and rust on the chassis and exhaust system and consider painting some unsightly areas with a mat black spray.

Next, the engine compartment should be treated to the same type of preparation as the undercarriage. Clean the engine, inner fender panels, and at least wipe down the rest of the engine compartment. Ensure any insulation on the hood is trimmed and held firmly in

place. Preferably, straighten all wiring; polish any chrome or other brightwork.

In the trunk area, the mat and spare tire should be removed and thoroughly cleaned at the same time you clean the underside of the trunk lid and vacuum any loose dirt and scale from

Finally, the exterior should be washed and dried. Ensure that bugs and tar on the paint and chrome have been removed, even from those hard-to-reach places. Polish all chrome and other trim and ensure the windows are still clean and streak-free. If there are paint chips or loose trim pieces that need to be addressed, this is the time to do it. If necessary, use a cleaner wax on problem areas and wax the car. Finally, ensure that the wipers, headlights, turn signals, and taillights work as they should.

Going back to the bottom, wash and clean the tires, wheels, and hubcaps. For chrome or aluminum wheels, use the appropriate cleaning and polishing products. While you’re at each wheel, ensure each tire has the proper tire pressure, both for safety and for the proper look in your pictures.

Look the entire car over to ensure it’s ready for pictures. If you’re satisfied – CONGRATULATIONS. Consider taking pictures in both good sunlight and in the dawn or dusk of a well-lit time to allow you to choose the best pictures for your presentation.

Present the best combination of pictures to impress and interest potential buyers. More isn’t necessarily better. Pick your pictures according to the way they present the car in its entirety.

Happy motoring and wishing you a successful sale - J.D.

Foundation Events

For me, spring is really a big deal. The outside air just smells so much better and the sun on the skin helps to put you in a better mood (I think it's what they call vitamin B12). It looks like we're waiting just a little bit longer for those warm temperatures to arrive, but when they do, watch out, you will all have your favorite automotive toy out for a cruise.

Here is a quick list of this year's events by the Custom & Classic Car Educational Foundation:

**Metal Meet at Ron's Rods -
April 25-27**

**The CCCEF Car Show at the inlet
during cruising Ocean City -
Thursday May 1st**

**Harford Winery Cruise & Celebration on Life for Mike Robinson
- May 24th**

**The Real Man's Yard Sale held on
the grounds of the
Markets at Shrewsbury -
August 9th**

Quality - Service - Integrity

"It's not easy finding the perfect partnership when you are looking for someone to renovate your home. There is so much to take into consideration. But, when you find a contractor who treats your home like his own; you know you have a good match. ALC Contractors, LLC was that match for me. From day one, I knew I would get what I was looking for, a great working relationship, a dedicated work crew, and a superb, professional job."

Satisfied ALC Contractors Client

ALC Contractors, LLC caters to you using the finest skilled, experienced craftsmen who will design and install all aspects of your dream project.

Reader's Rides

Tim Andrew's 1971 Ford Torino 500

This 1971 Ford Torino 500 Fastback model they only built 11,000 for that year so how many are left I do not know. This car has been in the family since new. My father purchased the car from King Ford in Essex Maryland in 1971. He paid \$3909.00 for it. I purchased the car from him in 1998 for \$5000.00 dollars. The car has 98,576 original miles on it today.

The car has been kept original as possible. It came with a 351 Cleveland engine a Cruise-O-matic C-4 transmission. A 3:00,1 rear end. The interior is still all original never been re done. When I purchased the vehicle I told my father that I was going to clean the car up and show it off. He said it would never be a show car. The first show I did was in Timonium cow palace. I took second place with it. I made my father go up and get the trophy. He did many shows with me until his passing in 2002.
